Data mart – new module on Cal Grant awards

SUMMARY:
The annual CSAC 'Cal Grant Offered Awardees' report provides counts of the total number of Cal Grant A, B, C awards offered. The Data, Analysis and Research Team (DART) has developed a new interactive data mart that allows users to query data from these annual reports in a Tableau dashboard.

RECOMMENDATION:
This is an information item; no action is required.

BACKGROUND:
The Data, Analysis and Research Team (DART) has developed a new Dashboard that provides reporting on the annual number of Cal Grant awards offered each year by renewal status, educational segment, FAFSA/CADAA application status and student demographic variables such as parental education, GPA, gender, age, dependency status, education level and income. Staff will provide a summary of the features available and will the demo the new Tableau dashboard that will be available on the CSAC website (https://www.csac.ca.gov/data).
