

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<b>Institution or District Submitting the Request</b>	
<h1>ABC Unified School District</h1>	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
Homeless, Foster, low income students in Artesia, Cerritos, Hawaiian Gardens, Lakewood, Long Beach, Norwalk	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</p> <p>Given the impact of the pandemic on the low income families we serve, graduating seniors most affected by poverty are prioritizing the immediate financial concerns of their families over college plans. Therefore, additional time is needed for outreach and to create incentives to engage seniors in the FAFSA application process.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Our community partner's sponsorship of FAFSA completion for our foster youth with incentive gift cards is pending.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>To date, only 14% of ABCUSD eligible foster students have completed FAFSA (2022-23).</p>	
<p>4. Additional comments (if any):</p> <p>Homeless and foster students' conflicting responsibilities compete heavily with educational goals in the post-secondary environment. Additional time will allow for students to engage in and navigate the FAFSA process.</p>	
<b>Contact Information and Signature</b>	
This request must be signed by either the superintendent of a school district or community college district or the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

#### Instructions:

**Institution or District Submitting the Request:** List the full name of the school district, community college district or California institution of higher education submitting the request.

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a "qualifying event" as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a "qualifying event" is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

**Contact Information and Signature:** This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Good afternoon District Partners,

Due to the pandemic, the California Student Aid Commission (CSAC) is allowing districts and institutions to request postponement of the application deadline for the FAFSA/CADAA. Districts interested in doing this must submit a form found [HERE](#) by March 7<sup>th</sup> that will allow students an additional 30 calendar days beyond the March 2<sup>nd</sup> priority deadline to submit their applications and be counted as "on-time." This is a good opportunity to allow students an extra month (if needed) to complete their applications given the impact of COVID. It should be noted that the request from the district would have implications for **all** students, not just youth in foster care.

For more details, please view the Grant Special Alerts 2022-09 at the following link: <http://www.csac.ca.gov/special-alerts>

Dear Mr. Kang,

Please accept this letter as Allan Hancock College's (AHC) request for the 2022-2023 Federal Student Aid (FAFSA) and California Dream Act Application (CDAA) application deadline postponement. We will demonstrate utilizing completion data that students within the AHC District deserve to have their financial aid application extension approved due to the continued and varied in-person restrictions due to the COVID-19 pandemic.

The data collected by the Central Coast Cal-SOAP office reflects that AHC offered 24 in-person Cash for College events and six zoom sessions that took place from October 1, 2021 - March 2, 2022. Even though Cash for College events were offered in-person at various high school locations, there was lower attendance than anticipated, and continued lower numbers than pre-pandemic time.

As of February 28, 2022, Central Coast Cal-SOAP and AHC's Financial Aid department assisted 1,742 high school seniors with financial aid applications in the pre-pandemic year of 2019-2020. For the 2021-2022 year, we served 1,478 students, which is a decrease of 10 percent from the 2020-2021 year, and a 15 percent decrease from the pre-pandemic year of 2019-2020. (NOTE: AHC still has four more events up to the March 2<sup>nd</sup> Cal Grant deadline; however, to meet the March 7<sup>th</sup> deadline for this request, the data is currently not available.)

Thank you for consideration of this request. Please feel free to contact Mary Dominguez, dean, Student Services at 805-922-6966 ext. 3657 with any questions.

These positivity rates are especially high in Los Angeles County, where all of our high schools are located.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>A significant number of financial aid outreach events in January - specifically workshops had to be cancelled or postponed due to the Omicron surge that lead to large number of student and staff absences.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>To date, only 50% of Alliance scholars have completed a financial aid application which is below our pacing for the class of 2020 - the last class who's financial aid completion wasn't impacted directly by COVID (Lockdown started after the financial aid window closed.)</p>

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

#### Instructions:

**Institution or District Submitting the Request:** List the full name of the school district, community college district or California institution of higher education submitting the request.

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a "qualifying event" as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a "qualifying event" is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

**Contact Information and Signature:** This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to [schoolsupport@csac.ca.gov](mailto:schoolsupport@csac.ca.gov).

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<b>Institution or District Submitting the Request</b>

<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
Alvord Unified School District	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</p> <p>Due to an unusually high absentee rate for both students and staff, many of our programs to promote FAFSA have been cancelled or have had very low attendance. This has resulted in many of our students being unable to get the assistance we would normally provide to assist with filling out the FAFSA form. The State of California has, and continues to be in a State of Emergency regarding the Covid Pandemic and Riverside County has been struck particularly hard by Covid.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Schools have sent daily text to families that have not completed their FAFSA paperwork. Bilingual Instructional Aides have been given additional hours to follow up with calls or emails to these families. The schools have held mandatory assemblies for the remaining seniors during the school day to explain the importance of the FAFSA to these students. The schools have held afterschool virtual parent/student FAFSA workshops.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>At this time AUSD has a completion rate of 34% for applications for the class of 2022. For the class of 2021, that number was 48%. Based on this data from the California Dashboard, we are down 14% district wide.</p>

Anaheim Union High School District	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
Anaheim Union High School District	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The COVID-19 pandemic has had an enormous effect on our students in AUHSD. Many parents lost their jobs or worked less hours due to illness, the slowdown of business, and the lack of work available. In turn, students have been called upon by their families to contribute to the household while also keeping up with their education. Many of our students have also been called upon for childcare when their younger siblings become ill and have to stay home from school. As our students become ill, they must stay home to recover. The effects of the COVID-19 pandemic have left students with limited time and limited access to complete the FAFSA or CADAA.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>The following workshops were cancelled due to staffing challenges and COVID-19 cases: Financial aid workshop 1/13/2022; Financial aid workshop 1/27/2022; Financial aid workshop 2/1/2022 (all these events were district-wide events open to all students and parents)</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>According to the California Student Aid Commission Dashboard, 27% of our students in AUHSD have completed their financial aid application. That school year, 54% of our students completed the financial aid application.</p>

Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>This postponement request is based on the overarching impact that COVID-19, its variants, and the state of emergency declared by the Governor have had in relation to our schools, families, staff, and community resources collective abilities to support the completion of FAFSA/CADAA over the past 6 months. Due to COVID-19, staffing shortages among schools and support agencies are at an all-time high, staff and student absences, illnesses, and hospitalization are at unprecedented levels, and many of the venues and paths of in-person support have been significantly reduced in response to public health and safety concerns.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>The number of live group events (career center, computer lab, after school, evening) were greatly reduced to avoid large crowds, especially October and early November. Many January and February events were moved to an online platform due to the rise in COVID cases. Cash 4 College events had historically low attendance due to gathering restraints and online settings. Numbers of all FAFSA events, including but not limited to Parent Universities on Financial Aid (both virtual and in-person events) declined significantly due to Covid constraints.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p><b>Current Race to Submit data shows AVUHSD down 11% in FAFSA completion and submission rates when compared to 2021.</b></p>	
<p>4. Additional comments (if any):</p> <p>All in-person events were greatly impacted by (1) group gathering size constraints, (2) staffing shortages due to illness, and (3) families health and safety concerns regarding meeting in-person. In addition to all of the aforementioned reasons, we found it common that parents were not comfortable talking about specific financial aspects related to FAFSA/CADAA via an online setting, making it difficult to support them in completing their students' applications. We believe that if this extension is granted and it helps just one student, then it has served its purpose. Please approve our postponement request.</p>

For a lot of our families, especially first generation college bound students, were affected by not having the opportunity to attend face to face support workshops as readily as pre-pandemic or even after setting up appointments to come in to fill out their form with assistance. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>According to our school systems data platforms as well as Race to Submit reports, there has been a drastic decrease in the number of students completing FAFSA. Less than 1/4 of our students are currently filling out 2021-22 applications compared to the number of students who completed applications in 2019-20.</p>	
<p>4. Additional comments (if any):</p> <p>Due to the pandemic students were also unable to meet consistency with counselors in person to receive updated FAFSA material and resources.</p>

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

#### Instructions:

**Institution or District Submitting the Request:** List the full name of the school district, community college district or California institution of higher education submitting the request.

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

**Contact Information and Signature:** This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to [schoolsupport@csac.ca.gov](mailto:schoolsupport@csac.ca.gov).

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. The events that have been canceled were our schools in-person hands on FAFSA/CA Dream Act workshops and in-person classroom presentation to all of our 12th grade students/parents.	
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. Last year at one of our high schools, students who completed their FAFSA/CA Dream Act application totaled 270 (58%). As of today, our current senior student body have completed 153 (32%) FAFSA/CA Dream Act applications.	
4. Additional comments (if any): Students and parents were provided with FAFSA/CA Dream Act support and information through Webex with the support of Mt. SAC reps and were also provided with dates for available CASH for College workshops.

# Application Deadline Postponement Request

## For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<b>Institution or District Submitting the Request</b>	
<h1>Bassett Unified School District</h1>	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
<h1>Bassett High School</h1>	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The Covid-19 pandemic has had major, detrimental effects on Bassett Unified students' ability to successfully complete a financial aid application. Positive Covid-19 cases at our highschool led to groups of students being placed in quarantine for days at a time, and individual/small in-school financial aid workshop sessions were canceled, rescheduled, or capacity restricted due to staff or students falling ill or having to be placed in isolation. Additionally, the pandemic has had a negative impact on the mental health of even our highest-achieving students, with some displaying a lack of intrinsic motivation and sharing that family loss and the transition to in-person learning has made it difficult to stay engaged in their scholarly duties.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Bassett High School shares information regarding all of CSAC's Cash for College online events to our families, however a large percentage of our families prefer in-person assistance due to digital literacy challenges, or due to unique tax or personal situations. To accommodate this, Bassett High School has always hosted in-person events on the weekends during December, and we planned to hold more during the months of January and February. However, early-mid January events were cancelled due to the Omicron surge, and our February events were sparsely attended with the main reason shared for not attending being coronavirus concerns. As stated previously, in-school workshops and sessions also suffered from low attendance due to positive Covid-19 cases, mandatory isolation protocols, and family concerns regarding the Covid-19 virus.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Bassett High School had an ~70% FAFSA/CA Dream Act completion rate at the same time last year during the 2021-22 cycle. This year (2022-23), Bassett has an internal number of about ~55% FAFSA/CA Dream Acts Applications completed, a ~15% decrease that mirrors California's statewide trend.</p>	
<p>4. Additional comments (if any):</p> <p>Bassett Unified has always prided itself in ensuring that every student who wishes to pursue a post-secondary education or program has the support necessary to complete a financial aid application. Bassett will continue to work diligently to ensure our students submit before the March 2nd deadline. An additional 30 days however, would allow our Counseling Team to ensure that any student who has been adversely affected by the Covid-19 pandemic can still make the priority deadline and would greatly increase the number of completed applications for the 2022-23 cycle.</p>

# Application Deadline Postponement Request

## For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<b>Institution or District Submitting the Request</b>	
Berkeley City College OPEID 014311 is submitting this request in response to GSA 2022-10 Application Deadline Postponement Request for 2022-23 FAFSA/CADAA issued by the California Student Aid Commission (CSAC) on February 17, 2022.	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
We are requesting a deadline postponement to allow students to submit their 2022-2023 FAFSA/CADAA applications after March 2, 2022 deadline as a result of the impact of COVID -19 continues to have on the lives of the students and families served by Berkeley City College and Peralta Community College District.	
<b>Description of the Qualifying Event</b>	
1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u> The ongoing crisis with COVID -19 has disrupted financial aid services and students' varying abilities to receive the support and assistance needed from financial aid and other professional staff to meet March 2, 2022, for FAFSA and CADAA submission deadline for consideration of the Cal-Grant, Middle-Class Scholarship, and other CSAC Programs.	
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. The inability to meet with students in-person for one-on-one and group activities, including weekly financial aid application workshops have resulted in fewer of our students meeting critical deadlines, including March 2, 2022, to submit their 2022-2023 FAFSA or CADAA applications.	
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. Berkeley City College applications are down 22.1% over last year's af of the March 2nd annual deadline.	
4. Additional comments (if any): Please approve this request of appeal due to the extraordinary circumstances that the COVID -19 pandemic has been placed upon all of us. The 30-day postponement gives us time for additional and targeted outreach and may prove to be a lifeline to our most vulnerable student populations.

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

#### Instructions:

**Institution or District Submitting the Request:** List the full name of the school district, community college district or California institution of higher education submitting the request.

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

**Contact Information and Signature:** This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to [schoolsupport@csac.ca.gov](mailto:schoolsupport@csac.ca.gov).

<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The world wide 2020 Covid Pandemic and subsequent state of emergency declared by the US government and California Governor has affected our ability to succesfully support students to apply to financial aid. The transition from distance learning to on campus instruction has had many adverse effects on our students academically and emotionally causeing efforts and resources to be focused on these needs. Additionally the number of restrictions in terms of number of students allowed in indoor spaces to the restrictions of visitors on campus has lowered the participation of parent/guardian attendance and assistance in completing the financial aid applications.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>After school late financial aid sessions were cancelled due to covid restrictions. Saturday Cash 4 College Events reduced to 1 this year. Parent/guardian financial aid night was held virtual due to restrictions and only about 30 out of 700 possible parents attended. Due to the covid pandemic restrictions we have had to limit the number of workshops that are held on campus , after school or on the weekends. We have opted to provide these events virtually however attendance has been significantly lower compared to prior to Covid. Subsequently parents have not been able to attend our workshops and this creates a lot of back and forth between students and parents to access financial information to complete the applications.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Compared to last year's class of 2022 with a 74 percent Financial Aid application submission rate, this year we are barely at 50% which is a decrease of almost 25% despite numerous reminders and activities to promote submission. ## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

#### Instructions:

**Institution or District Submitting the Request:** List the full name of the school district, community college district or California institution of higher education submitting the request.

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<b>Institution or District Submitting the Request</b>	
California Baptist University	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
All students in California have been affected.	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</p> <p>The COVID-19 pandemic has had a severe adverse effect on on-time FAFSA filing for soon to be high school graduates, especially those in low income and minority serving high schools. California Baptist University is a Hispanic-Serving Institution with 36% of CBU's undergraduate population being Hispanic. There are many articles from reliable higher education sources citing that FAFSA applications are lagging for the 2022/2023 school year among high school seniors. We feel that allowing our students' FAFSA applications that are submitted by April 1st to qualify as meeting the traditional March 2nd Cal Grant deadline will have a huge impact on our new students' ability to afford college.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Employees from CBU's Financial Aid Office coordinate, run, and attend many financial aid workshops for high school seniors to promote on time FAFSA filing. Typically, these workshops are held during school time or immediately after school at local high schools where our Financial Aid Outreach Coordinator and other staff are able to assist high school counselors in answering any questions that come up as their students complete their FAFSA in person at the event. This practice has been impacted because of the COVID-19 pandemic. It has become increasingly difficult to get in person events scheduled with our local schools. While some schools are scheduling online events, it has proven difficult to assist in the same one-on-one manner that our staff would have been able to in the past in person. Many of these events have not been scheduled by the high schools to the extent they were in previous years. We even have a few examples where the responsible person from the school did not show up to open the online meeting.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Many recent articles show a year over year drop in completed FAFSA applications a few examples are below.</p> <ul style="list-style-type: none"><li>- <a href="https://www.nytimes.com/2022/02/04/your-money/students-college-grants-fafsa.html">https://www.nytimes.com/2022/02/04/your-money/students-college-grants-fafsa.html</a></li><li>- <a href="https://edsources.org/2022/covid-blamed-as-fewer-california-high-school-students-file-fafsa-applications/666422">https://edsources.org/2022/covid-blamed-as-fewer-california-high-school-students-file-fafsa-applications/666422</a></li><li>- <a href="https://formyourfuture.org/fafsa-tracker/">https://formyourfuture.org/fafsa-tracker/</a></li></ul>	
<p>4. Additional comments (if any):</p> <p>Because of this extension being approved for 21/22, CBU had 167 additional students eligible for Cal Grant that, had the deadline remained 3/2/21, would not be eligible. This allowed these students \$1.3 million in additional funding to afford to go to college in 21/22 alone. We ask that it is approved to allow all FAFSA applications received by April 1st to be considered on time and to meet the Cal Grant deadline.</p>

In accordance with the provisions set forth in California Education Code Section 69513.2, the basis for this request is due to the declaration of both a national and state emergency still in effect as a result of the COVID-19 pandemic. This ongoing crisis has caused a disruption in our services and student varying abilities to receive the support and assistance needed from financial aid and other professional staff to meet the March 2, 2022 for FAFSA and CADAA submission deadline for consideration of the Cal Grant, Middle Class Scholarship and other CSAC programs.</p> <p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Cash for College Workshop - original date 1/26 - postponed to 02/07 due to staff members testing positive for COVID-19.</p> <p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>For 22/23, we have a total of 826 financial aid applications as of today. These numbers are lower compared to what we have for 21/22: 1487 financial aid applications.</p> <p>4. Additional comments (if any):</p>

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>We have had CalSOAP Cash for College workshops, individual meetings with students, classroom presentations and community outreach via ParentSquare.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>During the months of January and February we had daily absence rate of 15%, this reduced the opportunity for our counselors to meet with our students to complete their FAFSA.</p>	
<p>4. Additional comments (if any):</p> <p>It is important that our students get the extension on their FAFSA,</p>

Central Unified School District - Fresno, CA	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The State of CA has been under a Governors State of Emergency due to the COVID-19 Pandemic through the entire 2021-2022 school year. The surge of COVID-19 due to the Omicron variant has led to increased absences in students and staff. It has made it difficult to educate families about financial aid and created challenges in contacting and meeting with students to complete the necessary applications.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>We have not had any workshops or webinars canceled but we have had low attendance due to student and family quarantine restrictions.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Historically, our district has a completion rate of 60-70% for FAFSA. Currently we are only at 30% indicating that we are behind in meeting our target. Again, student absences and general instability in our community due to COVID-19 has led many families to delay in getting their applications done.</p>	
<p>4. Additional comments (if any):</p> <p>One of the affects of COVID 19 has been that many of the parents of our students went through periods of unemployment or job loss/change. This has led to many questions and concerns about releasing financial or tax information. There has been an additional need this year to educate parents about the entire financial aid process and the way that income changes are to be reported. The increased amount of time needed to have these personal conversations has also contributed to delays.</p>

<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The COVID-19 pandemic, specifically its impact on the social and emotional health of our students, has made all aspects of school challenging for our students. Students have had to rebound from isolation and fear, catch up in their academics, adjust their social activities and try to find some sort of normalcy and balance in their lives. In addition, due to COVID CDC guidelines, our students have missed an excessive amount of school throughout the 21-22 year. This has made the steps to recovery extremely challenging. Additionally, having to contemplate post-secondary planning, college applications, financial aid applications, scholarships and life responsibilities, we find our students are beyond overwhelmed. We see many of them giving up rather than persevering. Our schools have offered countless opportunities for support with regard to FAFSA and CADAA completion and we are simply not seeing the fruits of our labor. An extension would give our school counseling staff additional time to work with our students who are struggling to find their balance and purpose.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>While events were not canceled this school year the capacity, effectiveness and overall reach of our events have been negatively impacted by the COVID-19 pandemic. Students and families have regularly been quarantined making school and event attendance difficult. Financial aid workshops, including those within the school day, after school and evenings have all had lower attendance this year. There is an overall sense of uncertainty in the college going mindset. Students and their families see many colleges and universities are online while we have been back to campus for an entire year. They do not understand that if the FAFSA/CADAA is not completed now they will miss out on the money for the entire school year. Many students report they will take a semester off and just do their FAFSA/CADAA once they decide to attend. As much as we have tried to dispel this misconception, it still exists</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>At present, our district overall FAFSA/CADAA submission rate is particularly low. We saw low numbers in the 21-22 application year as well. On the contrary in non COVID years our submission rates were among the highest in the county.</p>

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

#### **Instructions:**

**Institution or District Submitting the Request:** List the full name of the school district, community college district or California institution of higher education submitting the request.

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
<b>San Francisco and the surrounding Bay area students attending CCSF</b>	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>COVID-19 and the omicron surge has affected the way CCSF had planned to outreach and support students with their financial aid applications. CCSF was hoping to start helping students in-person, which is instrumental in supporting our diverse group of students. On January 10, 2022, San Francisco County peaked with 6,803 new cases which delayed our return to campus plans.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>CCSF's Financial Aid Office in collaboration with City DREAM (Resource Center for Undocumented Student) has hosted several outreach events including virtual workshops, weekly text messages, emails and phone calls. Unfortunately, CCSF has not been able to host any in-person workshops or support. CCSF biggest in-person outreach event - Financial Aid Awareness Day also has been canceled due to safety precautions as a result of the COVID 19 outbreak. This is an annual event that would have hosted current and prospective students as well as people in the community to learn about their financial aid options. CCSF plans to start providing limited in-person services on February 28th. We are hoping this will help increase the number of students applying.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>CCSF's CA Dream Act (CADAA) and FAFSA application numbers have drastically decreased from last year. On February 28, 2021, CCSF had a total of 230 CADAA and 7,035 FAFSA applications on file for the 2021-2022 award year. The data compared to this year on February 28, 2022, CCSF currently has 175 CADAA and 4,567 FAFSA applications on file for the 2022-2023 award year.</p>

This year, we have one virtual event with limited attendance due to the rural community we support and limited Wi-Fi access at home. Two of the four high schools were able to host one in-person parent workshop in late February with limited capacity. We usually provide childcare and food for families. Due to the health guidelines, this year, we cannot provide child care or food and have a limited number of family members to attend the event. Our community partners have also affected us because their organization has not released them to participate in our in-person events, which has decreased the number of students we can serve during the school day and at our parent workshop.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>CVUSD FAFSA completion rate was 53% in 2021, and we are currently at 36% completion for 2022.</p>

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

#### **Instructions:**

**Institution or District Submitting the Request:** List the full name of the school district, community college district or California institution of higher education submitting the request.

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a "qualifying event" as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a "qualifying event" is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

**Contact Information and Signature:** This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to [schoolsupport@csac.ca.gov](mailto:schoolsupport@csac.ca.gov).

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<b>Institution or District Submitting the Request</b>	
<h1>Compton College</h1>	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
<h1>Community College District</h1>	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>On March 11, 2020, the World Health Organization (WHO) declared COVID-19, the disease caused by the SARS-CoV-2, a pandemic. Due to this event Compton College was forced to convert all classes to remote. During this transition a lot of our students dropped out and they didn't end up returning the follow academic year which has caused a decrease in our financial aid applications.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Compton College held virtual Cash For College Workshops for our local feeder high schools and our own current and returning students. We held them monthly starting in Sept. 2021 - Feb 2022. We actually host them year round.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>As of today, March 3, 2022, Compton College has generated:</p> <p>- 1,005 FTES for the Spring 2022 term. Our fill rate is currently 53%, and our seats filled is 7,292.</p> <p>Last Spring 2021 term at this time our fill rate was 55%, and our seats filled was 8,362.</p>

## For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<b>Institution or District Submitting the Request</b>	
Compton Unified School District	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
Compton Unified School District	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The latest Omicron variant has had a negative impact in our schools, where both staff and students were absent for throughout the first part of our Spring semester, where most of our FAFSA events were scheduled to take place.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Various FAFSA/CADAA workshops that were scheduled to take place ultimately were unable to be offered given the surge in Covid cases that were seen. Similarly, events that were scheduled to take place in person had to be switched to virtual which has made it more challenging to meet and work with our families who need the most help in filing their FAFSA.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Looking at current data, there does appear that there are fewer students who have submitted the FAFSA and or CADAA at this time.</p>

<h1>Covina-Valley Unified School District</h1>	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
<h1>School District</h1>	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>With COVID-19 ravaging our community, our staff and students have been impacted at a high rate. Sadly, COVID positivity rates have had a negative effect on the attendance of our students and support staff. This limits the ability of our college and career services teams to ensure that all seniors have applied for FAFSA/Dream Act. Additionally, we have noticed the social-emotional health of students has left them feeling unwilling to move forward with college and career planning. Oddly, this year we have had a high rate of parental reluctance to release information about their access 2020 taxes to their children. Finally, our students seemed to be completely overwhelmed and are unable to find that school/home balance needed to confidently move forward in preparing for their futures.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Due to limited staffing (because of COVID positivity rates and quarantine requirements) we were not able to even think of hosting a Cash for College event.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>At the beginning of the week, we only had slightly over 40 percent of our students district-wide complete the FAFSA/Dream Act, even though about 70% of our students qualify for free/reduced lunch. This alarming disparity can be reduced with increased outreach and hosting a Cash for College Event, which we are already planning for Saturday, March 26, 2022.</p>	
<p>4. Additional comments (if any):</p> <p>By granting our district this extension, CSAC would be helping us open access and opportunity for our students many of whom come from historically marginalized populations. Thank you for this chance to apply for the extension.</p>

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

#### Instructions:

**Institution or District Submitting the Request:** List the full name of the school district, community college district or California institution of higher education submitting the request.

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.
4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

<h1>Delhi Unified School District</h1>	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
Our district is K-12. The students in grade 12 would benefit with more time to complete FAFSA and CADAA forms.	
<b>Description of the Qualifying Event</b>	
1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u> Many of our students do not have devices at home to complete the application or internet. Our students complete the applications with the support of the school academic counselors during the school day. Students have been absent from school because of illness, quarantine due to Covid-19 and missed FAFSA workshops, scheduled FAFSA presentation and evening workshops. Due to Covid-19 student and parent participation has decreased.	
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. The events scheduled by the academic counselors have not been canceled. Counselors have noted a decrease in student completion or launching of the application.	
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. We currently have record of a little over 30% of students completing the FAFSA application.	
4. Additional comments (if any): The extension would allow students and parents to have 1:1 meetings with the academic counselors to assist them in the application process using the school devices and internet. Due to Covid-19 participation has decreased in events.

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<b>Institution or District Submitting the Request</b>	
<h1>Desert Sands Charter High School</h1>	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
<h1>Los Angeles County</h1>	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>We are requesting a deadline postponement for the FAFSA and CADAA given the unforeseen impact of the current pandemic. A majority of our student population consist mostly of promised youth. With that, our students had challenges with resources such as stable internet, in person IT software support, and in person workshops that provide them with the material they need to properly fill out their FAFSA applications.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>FAFSA Informational Workshops for parents and students          FAFSA in person LABS for parents and students          Parent and Student Income and income tax documentaton support workshop          DACA Presentations</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>According to our school systems data platforms as well as Race to Submit reports, there has been a drastic decrease in the number of students completing FAFSA. Less than 1/4 of our students are currently filling out 2021-22 applications compared to the number of students who completed applications in 2019-20.</p>	
<p>4. Additional comments (if any):</p> <p>Due to the pandemic students were also unable to meet consistency with counselors in person to receive updated FAFSA material and resources.</p>

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

#### Instructions:

**Institution or District Submitting the Request:** List the full name of the school district, community college district or California institution of higher education submitting the request.

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

**Contact Information and Signature:** This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

<b>Description of the Qualifying Event</b>	
1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.	
COVID pandemic interrupted the established learning environment and school schedule making it more difficult to communicate and interact with some students in preparation for their college applications and FAFSA.	
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.	
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.	
Current data for Desert Sands Unified School District collected from the Race to Submit Dashboard shows that 334 fewer students have submitted their FAFSA/CA Dream Act Application and 350 fewer students have submitted their FAFSA/CA Dream Act + GPA application.

<h1>Dominican University of California</h1>	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
Marin, San Francisco, Alameda, Contra Costa, Sacramento, San Mateo, Solano, and Sonoma Counties	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</p> <p>The ongoing COVID-19 pandemic has decreased our applicants with completed FAFSAs. Dominican also appeals to more first-generation college students, whose parents and students generally prefer more in-person interaction to feel comfortable. In addition, Marin, San Francisco, and Sonoma counties have had more COVID-related restrictions than other counties in CA.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>The number of high school financial aid outreach events we completed this year was half of a pre-pandemic year and those we did do were virtual with low attendance. Our January Campus Visit Day was pushed on-line and due to this financial aid was not able to participate; this event is typically a platform for pushing FAFSA completion.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>We are down by an average of 9% in our 2022 admits from our feeder CA counties with completed FAFSAs on file. The worst cases are Sacramento County, down 20% and Santa Clara down 15%.</p>

<b>Institution or District Submitting the Request</b>	
El Monte Union High School District	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
El Monte Union High School District, 12th Grade Students	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The opportunity for senior students from the El Monte Union High School District (EMUHSD) to submit either a FAFSA or CADAA financial aid application was greatly hindered by circumstances directly brought about by the COVID-19 pandemic. On-going complications attributed to COVID-19 including student attendance, staff availability, and safety protocols that have limited the availability of in-person, school-based financial aid workshops, have diminished our students' opportunities to complete and submit their FAFSA and CADAA applications by the March 2nd deadline.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>The El Monte Union High School District scheduled six in-person Cash for College events to be held during the 2021/22 school year. The first of these events was held on October 21, 2021. Unfortunately we experienced relatively low attendance for this event due to what we believe was participant aversion to in-person meetings. The other five events were rescheduled to January and early February 2022. For safety reasons, we made the difficult decision to cancel these events, due to the increased spread of the Omicron variant during January.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>According to the California Student Aid Commission's <i>Race to Submit</i> website, 61% of EMUHSD seniors from the class of 2021 submitted a FAFSA or CADAA application. As of February 20, 2022, the <i>Race to Submit</i> website shows that 37% of EMUHSD seniors have submitted a FAFSA or CADAA application. We currently have 24% fewer seniors that have submitted a FAFSA or CADAA application with less than two weeks to go before the established March 2nd deadline.</p>	
<p>4. Additional comments (if any):</p> <p>88% of EMUHSD students are socio-economically disadvantaged. Our students' living situation during the pandemic has often been compromised. From challenging living conditions to increased financial hardship, our families have struggled. I respectfully request that the California Student Aid Commission consider a 30 day deadline postponement of FAFSA and CADAA applications for EMUHSD students.</p>

# Application Deadline Postponement Request

## For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

### Instructions:

**Institution or District Submitting the Request:** List the full name of the school district, community college district or California institution of higher education submitting the request.

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. ## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<b>Institution or District Submitting the Request</b>	
<h1>El Rancho Unified School District</h1>	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
Students of El Rancho Unified School District	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>El Rancho High School offered a cash for college event in the fall in person. Due to the pandemic not many parents or students were able to attend. The cash for college event scheduled earlier this year had to be canceled due to the rising numbers of COVID during winter.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Cash for College in the second semester was canceled. The on-line events sponsored by the commission or our local community college were not well attended by our students.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>The previous year 63% of our students completed the application. At the moment we have approximately 30% of submitted applications.</p>	
<p>4. Additional comments (if any):</p> <p>The transition back to in person has been very difficult for our students. There has been many absences due to COVID which hinders the students accessibility to additional support to complete the application. Additional time would help students to access money for college.</p>

<b>Institution or District Submitting the Request</b>	
Elk Grove Unified School District	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
Elk Grove, Sacramento, surrounding areas	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Due to on-going and erratic covid-19 conditions, the qualifying event includes 2 years of irregular contact and access to directly assist students and parents with completing FAFSA/CADAA forms. Although workshops were held, attendance was lower than in-person events. In addition, student attendance and access to school site supports was further limited due to county health guidelines or Covid-19 testing and quarantine requirements.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>None of the EGUSD events were cancelled or delayed. However, student /family attendance was low.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>EGUSD current completion rate is at approx. 46%. Therefore additional time is requested in order to meet or exceed previous or pre-pandemic June 2021 FAFSA/CADAA completion rates of (70 – 75%). This additional time is also requested to work toward 100% completion by December 2022.</p>	
<p>4. Additional comments (if any):</p> <p>With extended time last year, EGUSD was able to reach a final completion rate of 75% in Dec 2020 for the 2020/2021 cycle. To date, with a current 46% completion rate, EGUSD needs additional time again this year to meet or exceed previous year completion rates</p>

## Application Deadline Postponement Request

### For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

#### Instructions:

**Institution or District Submitting the Request:** List the full name of the school district, community college district or California institution of higher education submitting the request.

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

# SPECIAL ALERT

STATE OF  
CALIFORNIA

## Update from the California Student Aid Commission

February 17, 2022

GSA 2022-09

TO: High School Counselors  
Financial Aid Administrators

FROM: Tae Kang *Tae Kang*  
Deputy Director, Program Administration & Services Division

SUBJECT: **2022-23 Application Deadline Postponement Request**

This Special Alert from the California Student Aid Commission (Commission) provides information to schools and institutions for requesting postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions, pursuant to [California Education Code \(CEC\) Section 69513.2](#).

**Institutions and schools may request a deadline postponement to allow students within the applicable district, region or area of the state to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline.** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their 2022-23 FAFSA or CADAA application due to disruptions caused by the COVID-19 pandemic or other "qualifying event" as defined in CEC Section 69513.2.(d).

For your ease and convenience, the Commission has created a form which may be used to request a deadline postponement. This form can be submitted instead of a letter. The form encompasses all the necessary aspects of the deadline postponement outlined below. The form is available on our website at: <https://www.csac.ca.gov/forms>

To request a deadline postponement, please complete the attached form, or submit a letter on official letterhead, by **March 7, 2022**, that includes all of the following items:

- A description of the qualifying event and how it impacted students' ability to submit their financial aid applications by the March 2 deadline.
- A list of any financial aid outreach events that were canceled or delayed due to the qualifying event.
- Data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year (if available).
- **Must be signed** by the superintendent of a school district or community college district, or by the president or chancellor of a Cal Grant participating institution.

In order to be considered at the March 9, 2022 meeting described below, requests for deadline postponement must be **received by March 7, 2022**. The Commission will hold a public hearing during its March 9<sup>th</sup> meeting to address any requests received. The Commission will release another GSA on March 10<sup>th</sup> to announce the Commission's decision on the appeals. If the request is approved by the Commission, all students within the applicable district, region or area of the state who have filed a FAFSA or CADAA between March 3, 2022 and April 1, 2022 will be deemed to have filed on-time applications.

Please submit the letter or form as an attachment to [schoolsupport@csac.ca.gov](mailto:schoolsupport@csac.ca.gov) and title the email "Application Deadline Postponement Request."

<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The COVID 19 pandemic has impacted students academically, socially, and emotionally. The continuous stress from this ongoing global health challenge has taken a toll on our students ability to focus not only on immediate needs, but also on longer term planning. Our senior students' stress and anxiety levels, as well as family angst, has impacted their post-high school planning which includes FAFSA/CADAA completion. Additionally, we have had an unprecedented number of students and staff continue to miss school due to either testing positive for COVID 19 or for needing to quarantine. We have already had over 400 students on short term independent study this year, whereas in pre-pandemic times we had a school year average of 20. We also currently have double the number of students on long term independent study. This has impacted the Eureka High School support staff's ability to meet with students and parents in completing the FAFSA/CADAA by the March 2 deadline. Extending the FAFSA/CADAA application deadline will allow Eureka High School staff increased outreach capabilities, and give stressed students and families additional time to meet this important deadline.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>To support FAFSA/CADAA completion, Eureka High School offered two Cash for College Workshops. The North Coast CalSOAP also offered workshops for Eureka students and had no attendees. Phone call home were made to individual students and parents to remind them of the upcoming submission deadline. Counselors presented to senior classes where they conducted FAFSA/CADAA completion workshops and offered individual application meetings to support application completion.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>The has been a reduction in the number of students who have completed the financial aid application this year. ## Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<b>Institution or District Submitting the Request</b>	
Fairfield-Suisun Unified School District	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
FSUSD students due to COVID-19 and distance learning.	
<b>Description of the Qualifying Event</b>	
1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u> A state of emergency for the state of CA due to COVID-19 pandemic was declared by Governor Gavin Newsom.	
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. Cash for College events had to be held virtually and this greatly impacted the attendance. We had very low turnout at our events at each of our high schools.	
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. Our numbers are down approximately 20% from our previous years.	
4. Additional comments (if any):

**Affected Students:** Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

**Description of the Qualifying Event:** The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a "qualifying event" as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a "qualifying event" is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

**Contact Information and Signature:** This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to [schoolsupport@csac.ca.gov](mailto:schoolsupport@csac.ca.gov).

# Application Deadline Postponement Request

## For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

<b>Institution or District Submitting the Request</b>	
Fashion Institute of Design & Merchandising 01111200	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
Students attending or planning to attend the Fashion Institute of Design & Merchandising in Los Angeles	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</p> <p>Due to the pandemic, students and prospective students have not been able to receive the same degree of counseling and information as was available previously. This has resulted in a decrease in the number of financial aid applications received by the college, and by extension, fewer applications being processed by CSAC for potential Cal Grant eligibility.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>The college has traditionally held in-person on-campus workshops. The workshops covered the process of applying for federal student aid, and specifically emphasized the components of the FAFSA that are required for Cal Grant eligibility as well as the Cal Grant application deadline. Workshops were held for students currently attending the college as well as weekend and evening workshops for prospective students. Those workshops were open to all students whether or not they had expressed an interest in applying to our college. Because of the pandemic, the college has limited or discontinued in-person gatherings on campus, so the workshops were not able to be offered this year.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>As an example, the Cal Grant roster on February 21, 2020 contained 12 names; the February 19, 2021 roster contained 7 names and the February 18, 2022 roster contains only 5 names.</p>

Firebaugh High School	
<b>Affected Students (School district, community college district, or the area or region, such as a city or county)</b>	
Firebaugh Las Deltas Unified School District	
<b>Description of the Qualifying Event</b>	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</p> <p>This school year has been a challenging year for our seniors in the submission of their FAFSA/CADAA application. Due to COVID, we have had many seniors out in quarantine. This has affected the process of having them submitting their application but also follow up with those who have already started the process. Our outside resources that typically assist us with the process were not allowed to come on to campus due to their CSU guidelines. In addition, this has greatly affected our numbers.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Due to COVID restrictions and the assistance we normally receive from our outside resources, we have had only two in person workshops and one virtual. During our first in person workshop, we had a turnout of only 30 parents show up. Our second workshop we only had seven parents who showed up. We still have a high number of students out due to COVID and this is affected us being able to reach out to them.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Due to school closure last school year and only being able to offering virtual workshops, our numbers are very similar to this year. As of right now we only have around 80 application submitted out of approximately 164 seniors.</p>	
<p>4. Additional comments (if any):</p> <p>Extending the deadline for our students to submit their FAFSA/CADAA application will greatly help us in making sure our students get that support they need and assistance in getting application submitted.</p>
