

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
Potter Valley Community Unified School District	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
Potter Valley High School	
Description of the Qualifying Event	
1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline. Due to Covid numbers in the school staff the school closed for 5 days. Besides this a high number of seniors have been required to isolate or quarantine over the last months.	
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. At least one significant outreach event, as well as many individual students missing events/meetings due to isolation and quarantine	
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.	
4. Additional comments (if any):	
Contact Information and Signature	
This request must be signed by either the superintendent of a school district or community college district or the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.	
Superintendent, President, or Chancellor Name: Dr. Nicole Odell	
Email Address: nodell@pottervalleyschools.us	Phone Number: 707 742-1142
Signature: Nicole Odell	Date: 2/24/22
Please submit the completed request as an attachment to schoolsupport@csac.ca.gov

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
Riverdale High School (Riverdale Joint Unified School District)	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
Riverdale Joint Unified School District - Fresno County, California	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</p> <p>The COVID-19 pandemic has affected students' ability to apply for financial aid. Both in-person and virtual opportunities for students to gain assistance with their application are at a greater need, and while more virtual opportunities are occurring, most students and parents do not attend those opportunities. In-person events have not been held in nearly two years as most colleges who have visited campuses to help students with their applications have moved to online only instruction or limited in-person support for students. The limited support to help students apply has seen the effect of the number of applications being completed/submitted.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Due to the pandemic, outreach from feeder colleges to host traditional in-person Cash for College events to support students and families with financial aid has not occurred. There has been a decrease in students attending virtual and in-person financial aid events or workshops to help assist them with their application.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Only 42.59% have submitted applications from our current senior class versus 67.59% who submitted last school year. The pandemic has affected not only students' ability to submit their application on time, but now in year 2, more students are not seeing college as an option. If additional time is granted, this would help alleviate the pressure to submit the application by the deadline and allow a greater number of students to complete/submit their Financial Aid application.</p>	
<p>4. Additional comments (if any):</p> <p>Many, if not, most students at our school are first generation college bound, and do not have the support from home to apply for financial aid. Most seniors who are eligible for financial aid are seeing and feeling the effects of the pandemic on their family's financial situations and have reconsidered the opportunity to seek out higher education due to rising living costs. The ability to see that money is available to help them enter college without a huge financial burden may help them reconsider the pursuit of college. We hope you can honor our request for an exemption.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

Instructions:

Institution or District Submitting the Request: List the full name of the school district, community college district or California institution of higher education submitting the request.

Affected Students: Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

Description of the Qualifying Event: The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a "qualifying event" as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a "qualifying event" is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.
4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

Contact Information and Signature: This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to schoolsupport@csac.ca.gov.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Riverside Community College District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
All districts within our colleges boundries (Riverside City College, Moreno Valley College, Norco College)	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The coronavirus pandemic and school closures/restrictions has had an adverse effect on students' ability to submit their financial aid application by the March 2nd deadline. Due to school restrictions, students are unable to meet face to face with Financial aid support staff to receive FAFSA/CADAA application assistance or questions. Most workshops are via zoom. Students have experienced a financial crisis due to loss of employment and income. As a result, students are suffering from depression and anxiety and need support. Low income students without internet access fall in the widening digital gap and lack access to complete the application. Access to the kind of one-on-one assistance by financial aid professionals on college campuses is key to getting more students to submit the application, enroll in colleges and receive more financial aid.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>90% of workshops are still held via zoom. Face to Face workshops were converted in the winter due to the omicron uptake in our region. Although attendance via zoom has increased over last year, it is no where near meeting the needs of students and their families.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Data from FAFSA Volume Report by Federal Student Aid shows the FAFSA Completion number by college, by year: 20-21 Year as compared to 21-22 to date: Norco down 19%, Moreno Valley down 16%, Riverside City down 13%</p> <p>Outreach activities served 96% less students on a 1V1 basis for the 22-23 application cycle. Most workshops were offered via zoom or converted to zoom during the winter.</p>	
<p>4. Additional comments (if any):</p> <p>In order to ensure equity in students ability to apply for and receive a Cal Grant award, this deadline needs to be extended for all students across the board. This continues to be a struggling time for students and we are still seeing federal waivers and allowances due to current circumstances. The State needs to provide the same student centered allowances for their student populations.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Rowland Unified School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h2>The Rowland Unified School District class of 2022 students.</h2>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The covid-19 pandemic that has impacted every community across the state has brought on additional barriers for our Rowland community, including access to resources and support in completing the application, reduced opportunities to engage in activities at the school that would support the application process, family circumstances that draw attention and priorities away from completing the application (i.e. health, employment, housing). The pandemic continues to limit engagement and participation in school activities, which in turn limits knowledge and awareness, access to resources and support, and ability to actively participate.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>While financial aid outreach events have not been canceled, in-person events have been extremely limited. Our district continues to limit visitors to campus as measures of safety for students and staff. Events to support families with financial aid continue to be offered virtually. However, many of our Rowland families have had a much more difficult time in attending and participating in general. Some families have limited understanding and use of technology that limits their participation in virtual events. In addition, quarantining from either a covid infection or from having been exposed and/or around others who have been infected with covid, students and families have missed multiple days from school. This impacts access to resources, events, and support.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p>	
<p>4. Additional comments (if any):</p>	
Contact Information and Signature	
<p>This request must be signed by either the superintendent of a school district or community college district or the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Sacramento City Unified School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>Sacramento City Unified School District</h1>	
Description of the Qualifying Event	
1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u>	
Due to COVID, sites were unable to reach out to students directly or offer in person events to support students directly.	
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.	
In our district, all workshops were cancelled for the entire month of January and half of February due to the increased number of employee absences. All school site staff were required to support with classroom coverage.	
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.	
We currently have 32% of seniors with a complete FAFSA compared to 53% during the same time in the 2020-2021 academic year.	
4. Additional comments (if any):	
Contact Information and Signature	
This request must be signed by either the superintendent of a school district or community college district or the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

<h1>Saddleback Valley Unified School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h2>Seniors within Saddleback Valley Unified School District</h2>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</p> <p>Our schools and communities were hit hard by long-lasting COVID spikes. It became apparent that our students fell behind on their academics and college planning. Our students had to prioritize raising their grades over college planning, including completing the FAFSA.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Last year, 1,202 SVUSD seniors submitted their FAFSA application compared to 818 seniors this year.</p>	
<p>4. Additional comments (if any):</p>	
Contact Information and Signature	
<p>This request must be signed by either the superintendent of a school district or community college district or the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Salinas Union High School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
All SUHSD high school students attending our comprehensive and alternative high schools programs.	
Description of the Qualifying Event	
1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline. COVID 19, including the Delta and Omicron variants, continue to have a significant impact on our student populations, their families and our staff. We have had record absences amongst our student and staff and have experienced significant losses. We are a large agriculture-dependent economy, as such many of our students families are at greater risk of exposure as essential workers. With many of our students living with many family members, the risk of exposure and getting sick are greater in these household, making self-isolation impossible, leading to extensive absences for exposed and sick students. The absences and unreliable access to Internet connectivity has impacted the ability of students to successfully complete school work, included FAFSA/CADAA help they would get in class.	
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.	
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.	
4. Additional comments (if any): Approximately 48% of our student population have parents/guardians who are employed as essential workers. They continue to put themselves, and their families at risk of exposure to COVID, as the need to provide for their families takes priority. With 78% of our high school student population meeting the criteria of socio-economically disadvantaged, a deadline extension could benefit a great number of student who would otherwise miss out on Cal Grant monies for both Dreamers and residents alike.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

Instructions:

Institution or District Submitting the Request: List the full name of the school district, community college district or California institution of higher education submitting the request.

Affected Students: Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

Description of the Qualifying Event: The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

Contact Information and Signature: This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to schoolsupport@csac.ca.gov.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
San Bernardino City Unified School District	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
San Bernardino City Unified School District	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Districtwide our schools were closed for in-person instruction from 3/13/2020 through the end of the 2020-2021 school year as a result of the COVID-19 pandemic. Though our students returned in person to school on 8/2/2021, the pandemic continued to add significant barriers for students and families applying for financial aid. Our educators did their best to serve students who were exhausted emotionally, strained economically, impaired by the physical and mental health hardships of the time, and playing catch-up both in their social-emotional and academic learning after nearly a year and a half working remotely. Many families relocated during the pandemic, making it more difficult to find documents needed to accurately apply for financial aid, especially when families were struggling with imminent needs. COVID exposures, illness and bereavement have caused attendance rates to suffer, meaning students have been at school less often to learn about completing their FAFSA/CADAA. More students than normal have picked up extra jobs to help support their families, leaving them less time to work on applications and less available to stay after school for help applying.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Many of our schools' planned FAFSA/CADAA and Cash for College workshops had to move to a virtual modality. While we are proud of our counselors and college & career readiness teachers' hard work scheduling and publicizing these virtual events, it is our observation that at virtual workshops there is a decreased level of trust and engagement with students and parents applying for financial aid. COVID infections required some of our schools' in-person financial aid events to limit the number of attendees and/or move outdoors, which decreased the number of students and families who participated. During the COVID-19 school closures of 2020-21, our district's chronic absenteeism rate spiked to nearly 25%, and so far in 2021-22 we have seen sites suffer chronic absenteeism of well over 30% which meant even fewer students engaged and decreased access for educators to offer support on financial aid applications.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>In pre-pandemic 2020, 51% of our San Bernardino City USD 12th graders (1798 of 3482 enrolled) submitted a FAFSA or CADAA. In 2021 during school closure, only 42% (1482 of 3490 enrolled) submitted, representing more than a 17% decrease in submission rate from 2020 to 2021. In response to this drop, our district intensified our support of school counselors and college and career readiness teachers with data tools, frequent monitoring and communication around financial aid applications. Our efforts have managed to nearly close the gap between district FAFSA/CADAA submission rates and those of the county and state. Even so, as of 2/24/2022, only 35% of SBCUSD seniors (1245 of 3490 enrolled) had submitted financial aid applications according to the 2022-23 Race to Submit Dashboard, a submission rate closer to that of our county and state than in 2021, but over 31% lower than our pre-pandemic rate.</p>	
<p>4. Additional comments (if any):</p> <p>We continue to improve our district-wide systems to ensure all students have support completing the FAFSA/CADAA application process, and more intently than ever as we anticipate AB469 and the systemic boost to financial aid applications we believe it will inspire. Should this deadline postponement request be granted, we have a robust plan to reach and support students through April 1, including sharing of information with students by email, mass notification and flyers. We will be creating large-group and one-to-one support opportunities for students who need help completing financial aid applications during our March 21-April 1 spring break. Thank you for your consideration.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
San Francisco Unified School District	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
San Francisco Unified School District - graduating seniors (class of 2022) who are in need of financial aid will be impacted.	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The continued impact of the Covid-19 pandemic has resulted in increased absenteeism for students and school staff. Due to teacher shortages, emergency class coverages (by school counselors and other staff) have become commonplace and thereby has resulted in a reduction of support to students in need of financial aid assistance. Hardships brought on by the pandemic continue to endure and burden our students with a myriad of stressors leading to mental health issues (depression/anxiety) and consequentially, a disconnect from school. Some students must work to help their families financially and are limited in the amount of time they can spend completing their financial aid applications.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>From October 2021 (Fall) through January 2022 (Spring), 15 Cash for College events were offered to students. Of the 15 events, 4 events were held fully in-person, 2 were hybrid and the remaining 9 were held virtually. Many of our students and families, especially those that have been historically marginalized may not have access to technology as we witnessed last year in distance learning. The limited availability of in-person financial aid events presents a huge barrier to equitable access of support for the financial aid process. Without assistance to navigate this process, there will be many students who give up or check out.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>The class of 2019 FASFA/CADAA completion rate was 81%. The class of 2020 FASFA/CADAA completion rate was 76% (in-person school closed on March 17, 2020). The class of 2021 FASFA/CADAA completion rate was 76%. We believe that the extension we received last school year was instrumental in keeping our rate steady from 2020 to 2021. Currently, for the 2022 school year we are only at 54% and the March 2 deadline is quickly approaching. We feel strongly that an extension would greatly benefit many students who are in need of financial aid and who are currently interested but behind in the process.</p>	
<p>4. Additional comments (if any):</p> <p>Having an additional 30 days would help many students who have been struggling with the impacts of the pandemic to successfully complete this process and set them on course for college.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>The San Gabriel Unified School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
Students in grade 12 at Gabrielino High School and Del Mar High School.	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The COVID-19 pandemic delayed the efforts of students, parents/guardians, counselors, and administrators to complete the FAFSA. Throughout the year COVID has disrupted the school environment. SGUSD is in LA County where the viral transmission rate has been high - to the point that the high school closed for 2 days in January.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>SGUSD cancelled its in-person Cash for College event and moved to a virtual presentation instead due to COVID restrictions and safety guidelines.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>To date, 42% of Gabrielino seniors have submitted a FAFSA or CA Dream Act. Last year (2020-2021) 69% of seniors submitted a FAFSA or Dream Act.</p>	
4. Additional comments (if any):

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

Instructions:

Institution or District Submitting the Request: List the full name of the school district, community college district or California institution of higher education submitting the request.

Affected Students: Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

Description of the Qualifying Event: The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

Contact Information and Signature: This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to schoolsupport@csac.ca.gov.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>San Jacinto Unified School District, Riverside County</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>San Jacinto Unified School District Seniors</h1>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>SJUSD is requesting a postponement due to the impact that COVID-19 pandemic has had on our community. The COVID-19 pandemic has resulted in economic, social/emotional, and physical health disruption for our students and families. Many of our families have been dealing with the loss of employment, the death of a loved, and chronic absences due to illness. All of these issues have resulted in higher degrees of trauma that our students and families must face.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Due to the pandemic we had to modify our annual financial aid kick off event to a virtual setting which was voluntary. Prior to the pandemic the FAFSA kick off event was in person during the school day and seniors were required to attend. In previous years we had many seniors complete the FAFSA during the kick off event because we were able to have greater access to motivate seniors to apply (i.e. school assembly, give aways). We had a Cash for College Night and due to COVID-19 spikes the number of parents who attended was low.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>All of our high schools in SJUSD have had a decrease this year in completion of the financial aid application. In March 2021 San Jacinto High School had 53% of seniors complete the FAFSA, compared to March of 2022 50% of seniors completed the FAFSA. Our alternative high schools, Mountain View High had an 11% completion rate in March 2021, compared to March 2022 where they had a 9% completion. (data taken from Race to Submit Scoreboard).</p>	
<p>4. Additional comments (if any):</p> <p>Thank you for your consideration of the postponement of the March 2nd deadline. We believe that many of our seniors will benefit by this postponement</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
San Rafael City School District	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
San Rafael City High Schools	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Due to Covid-19 our San Rafael City Schools seniors have low completion rates on their financial aid applications. Our students are focused on catching up on school work as they re-adjust to in person learning. Most of our seniors work afterschool to support their families financially. We have offered workshops during and after school, both in person and virtually, but our students have little time between classes and work. Our student populations are at high risk and is in our counties epicenter of covid cases. Additionally, with lack of computers at home, reliable technology/wifi, or time due to work schedules, we experienced drastically low parent turnout rate and participation during our financial aid workshops, especially among our Spanish-Speaking parents. We are actively working with students one-on-one and have financial aid workshops coming up to continue efforts to increase our completion rates. The 30 day extension period would greatly benefit the students in our district and allow us to continue these efforts.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>The schools within our district have held workshops and one-on-one meetings since October. At the beginning of the school year and now students are more focused on catching up with school and being able to graduate. Our school staff were also very busy gearing up for reentry and dealing with a lot of covid-19 cases and a lot of students missing class. Many of our students have also been absent for weeks at a time because of testing positive, which also becomes a barrier for students to attend in-person workshops and events and most of our students are still not proficient on using Zoom or a laptop. Moreover, financial aid nights, workshops and presentations for parents were moved to all virtual meetings, which had drastically lower turnouts than in previous years. Participation among Spanish-Speaking families and students was extremely low due to lack of these in-person events.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Overall, California is experiencing an 18% decrease in financial aid completion rates and our schools are not an exception. We are currently at 60% and working hard to reach or surpass our 96% completion rate of last year.</p>	
<p>4. Additional comments (if any):</p> <p>This postponement will allow for the counseling teams in our schools to reach out to the students who have yet to complete their applications. We have a large population of low-income, Spanish-Speaking, first-generation, underserved students and parents who would greatly benefit from the financial support that these applications offer. With this additional time, we can reach these families.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

Instructions:

Institution or District Submitting the Request: List the full name of the school district, community college district or California institution of higher education submitting the request.

Affected Students: Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

Description of the Qualifying Event: The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a "qualifying event" as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a "qualifying event" is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.
4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

Contact Information and Signature: This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to schoolsupport@csac.ca.gov.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

Instructions:

Institution or District Submitting the Request: List the full name of the school district, community college district or California institution of higher education submitting the request.

Affected Students: Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

Description of the Qualifying Event: The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

Contact Information and Signature: This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to schoolsupport@csac.ca.gov.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
All high schools in Santa Ana Unified School District: Century HS, Cesar E. Chavez HS, Hector Godinez Fundamental HS, Lorin Griset Academy, Middle College HS, Saddleback HS, Santa Ana HS, Segerstrom HS, Santa Ana Valley HS, Advanced Learning Academy - Circulos, and REACH Academy	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>Santa Ana Unified School District</h1>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</p> <p>Covid-19 Pandemic has adversely impacted the students' and their families' ability to meet the March 2 financial aid program deadline. We have seen the following effects in comparison to prior years:</p> <ul style="list-style-type: none">- Significant drops in financial aid application submissions- Difficulties in reaching high school students in remote learning environments- Students and families quarantining due to positive results, limiting them to meet in-person or virtually- Inability to host annual cash for college events with limited resources and remote operations- Submission system delays with the review process, especially when submitting supporting documentation for unemployment or death of parent/caregiver- Technology barriers for families	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>The following events have been scheduled to support our families' with financial aid:</p> <ul style="list-style-type: none">-Cash for College: Afternoon, late nights and weekend in-person workshops have been available since October 2021. Many families did not feel comfortable coming in-person due to Covid-19.-Cash for College: Afternoon, late nights, and weekend virtual session/webinars have been available since October 2021. This platform has caused limitations with providing intentional support when families have unique financial/tax situations.-District-wide/school-side financial aid kick-off events have been offered to prepare all students with checklists for appropriate FAFSA/CADAA documentation. Students from the Santa Ana Virtual Academy, haven't favorably responded to emails and phone calls. Given they are receiving distance learning; it becomes difficult to connect with the students during class time.	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Typically, in January, SAUSD is at above 50% submission, currently SAUSD is at 51% submitted and 44% completed. Previously, pre-COVID19, SAUSD has been well over 85% in completion by March 2nd deadline.</p> <p>The challenges families are facing are listed below:</p> <ul style="list-style-type: none">-Families have not filed 2020 tax returns-Families are still unemployed-Loss of family members due to COVID-19-Snail mail has been a barrier for those who have to mail verification of documentation	
<p>4. Additional comments (if any):</p> <ul style="list-style-type: none">-Students are experiencing continuous error reports using their school assigned Chromebook when creating their profiles causing a delay in the submission window.-Technological glitches is causing a delay with submissions-Many students do not have printers at home to print and complete their signature page, they wait until they are at school causing delays for submission.

February 25, 2022

Marlene L. Garcia
Deputy Director, Program Administration & Services Division
California Student Aid Commission
P.O. Box 419028
Rancho Cordova, CA 95741-9028

Dear Ms Garcia,

Please approve the deadline postponement of the 2022-2023 FAFSA and CADAA applications for Santa Barbara Unified School District students from March 2, 2022, to April 1, 2022. Per your communication on February 17, 2022, the California Student Aid Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their 2021-22 FAFSA or CADAA application due to disruptions caused by the COVID-19 pandemic as defined in Section 69513.2.(d).

COVID-19 continues to harm our student's ability to submit their financial aid applications by the established deadline. With the second COVID19 surge of the Omicron variant, we have observed a significant increase in student absences between December through February, sometimes with up to 25% of our student population unable to attend school in person. The Omicron surge also impacted staff attendance. Many of our Counselors, support staff, and community partners who engage in Financial Aid efforts were not as readily available to host or assist in Financial Aid Workshops and classroom visits as initially planned.

Our district uses our College and Career Counselors and School Counseling staff to conduct presentations on Financial Aid in our Economics and Government classes. From these presentations, we promote additional Financial Aid workshops facilitated by our team and the Cash-to-College Workshops hosted by the CA Student Aid Commission. School sites host the Workshops during the day. We offer Workshops at community centres and school sites in the evening in both English and Spanish to support parents and families who have questions about applying for Financial Aid. We also use the class time to identify students who may need additional support and sign them up for workshops directly.

However, since our high schools are all currently on a block schedule in response to the pandemic, about half of our seniors would have Economics and Government in the Fall, and about half of our seniors have Economics and Government in the Spring. With the Omicron surge, the increased absences of our students and staff, along with the shortage of substitutes, meant that many of these Spring classroom presentations were not completed. We estimate, therefore, that approximately half of our senior class (approximately 800 students) did not have dedicated class time to learn about Financial Aid. Not only has this impacted student awareness of the Financial Aid workshops and deadlines, but it has also limited our ability to connect with students during class time and proactively provide additional support. When we attempt to call students into the Counseling centre for assistance in person, the students have often been physically absent from school. We are promoting our

Santa Barbara Unified School District

805.963.4338 TTD: 805.966.7734

Workshops using weekly school announcements, Counseling newsletters, and school site social media posts, but we have found that attendance at the Workshops is less than in prior years. Additionally, using the resources on the CSAC Webgrants page, we can see that the number of students to date this year who have successfully completed a Financial Aid application is less than the same date in prior years, particularly prior to COVID. (Ex. We have had 900 fewer applications submitted so far in 2021-2022, when compared to 2019-2020).

While we are still collecting data on the number of students in our district who have successfully completed FAFSA or CADAA applications for 2022-2023, we know from a letter sent on February 17, 2022, by Tony Thurmond, CA Superintendent of Public Education, that CA is experiencing a significant decrease in FAFSA forms completed when compared to prior years. We anticipate similar numbers in our district.

We ask the Commission to please deem all Santa Barbara Unified students who file a FAFSA or CADAA between March 2, 2022, and April 1, 2022, as on-time applications. Thank you for your consideration.

Sincerely,

Hilda Maldonado
Superintendent, Santa Barbara Unified School District
hmaldonado@sbunified.org

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Santa Clarita Community College District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>Santa Clarita Valley/North Los Angeles County</h1>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Due to COVID restrictions, College of the Canyons Financial Aid Office was unable to conduct its annual high school Financial Aid Night outreach events. The 2021 Cash for College workshop hosted at College of the Canyons was cancelled due to restrictions on large group gatherings. The absence of these events reduced the ability for Financial Aid staff to assist students & parents through an in-person FAFSA/CADAA instruction lab. Hands-on labs are critical to serving local families and in particular our Dreamer students.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>CANCELED - 2021 Cash for College hosted by College of the Canyons CANCELED - 2021 Cash for College hosted by Golden Valley High School CANCELED - 2021 Financial Aid Night @ Valencia High School CANCELED - 2021 Financial Aid Night @ Hart High School CANCELED - 2021 Financial Aid Night @ West Ranch High School CANCELED - 2021 Financial Aid Night @ Academy of the Canyons Early College High School CANCELED - 2021 ALL in-person FAFSA/CADAA instruction labs</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>2022-2023 FAFSA/CADAA application data unavailable.</p>	
<p>4. Additional comments (if any):</p> <p>The inability for the Financial Aid Office to conduct in-person FAFSA/CADAA instruction labs, combined with the cancellation of all outreach events in the fall of 2021, will have a tremendous impact on the number of local high school seniors who will complete an application by the March 2nd deadline. An extension of the Cal Grant deadline will allow College of the Canyons Financial Aid Office additional time to reach out to local families to encourage and assist them with completing an application.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Santa Rosa City Schools</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>Santa Rosa High School District</h1>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>The COVID-19 pandemic is has been declared a National and State emergency. The on-going disruption to student services as a direct result of the COVID-19 pandemic has had an adverse effect on our student's ability to submit the FAFSA and CADAA by the March 2 priority deadline. Outreach activities to support families with completing their financial aid applications have also been significantly impacted since March 2020. Latinx families have been disproportionately affected by this change.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Santa Rosa City Schools (SRCS) works closely with the Santa Rosa Junior College (SRJC) to offer Cash for College Workshops for students and families. The SRJC reduced from 35 in-person Cash for College Workshops in 2019-2020 to 24 Cash For College Workshops, most of which were provided in a virtual environment. Participation in virtual workshops was significantly lower than in-person workshops, particularly for Latinx families. SRCS also works closely with 10K Degrees, a local non-profit. 10K Degrees provided a "Train the Trainer" professional development session for counselors and also collaborated with our staff to offer workshops that students and families could attend to get support with completing their FAFSA/CADAA. In addition to working closely with community and postsecondary partners, the SRCS College and Career Counselors did presentations in senior classes about the FAFSA and CADAA, as well as workshops and one-on-one application completion support in the College and Career Centers.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>The number of students completing a FAFSA/CADAA by the March 2 priority deadline has decreased significantly this year. During the 2021-2022 school year, 39% of enrolled high school seniors completed a FAFSA/CADAA. As of March 1st, 2022 only 27% of all enrolled high school seniors have completed the FAFSA/CADAA. The number of students receiving a Cal Grant award in 2021 was 32%. Due to reporting issues, no graduating seniors for the 2022 school year have been awarded a Cal Grant yet.</p>	
<p>4. Additional comments (if any):</p> <p>Intermittent technical issues with the FAFSA have created additional barriers and delays in FAFSA completion. Thank you for the opportunity to request an extension of the FAFSA/CADAA deadline.</p>

Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

Contact Information and Signature: This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to schoolsupport@csac.ca.gov.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Shasta County Office of Education</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>Shasta County Independent Study and Juvenile Court School</h1>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>A State of Emergency was issued in Shasta County due to the Fawn Fire; and these wildfires have resulted in significant impacts to schools, including, but not limited to, destroying or damaging school facilities, destroying or damaging homes of students, teachers, and other school personnel, and displacing students, teachers, and other personnel. A State of Emergency due to the Covid 19 pandemic was also proclaimed on March 4, 2020 and has remained in effect through December 31, 2021.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Two scheduled FAFSA nights were canceled due to high rates and risk of exposure and in Shasta County. Many events have been held virtually and have been significantly under attended.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Our completion rate was 37% last year, currently our percentage is 27.5 percent. With only three days of students on campus before the March 2nd deadline there is likely to be a decrease if extension is not allowed.</p>	
<p>4. Additional comments (if any):</p>	
Contact Information and Signature	
<p>This request must be signed by either the superintendent of a school district or community college district or the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Shasta Union High School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>School District</h1>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>COVID-19 has continued to have a significant effect on our normal school operations. Students have not been able to access the various outreach events and supports that are provided to help them complete the FAFSA for numerous COVID related reasons including quarantine of either students, presenters, or school staff (Teachers and Counselors)</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>*Financial aide information nights *In class FAFSA form completion help *In-school and after school FAFSA workshops *College Presentations</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>For the class of 2021 we had a FAFSA completion rate of 68.4% (553/808) in our comprehensive high schools</p> <p>For the class of 2022 we are currently at a completion rate of 44.7% (359/804) in our comprehensive schools, which is 23.7% below last year.</p> <p>Our continuation and independent study schools had a FAFSA completion rate of 39.1% in 2021 and currently for the class of 2022 they have a completion rate of 23.6% (25/106)</p>	
<p>4. Additional comments (if any):</p> <p>Our change in the number of FAFSA completers for the class of 2022 is 23.7% lower than the class of 2021. This drop is greater than the state average for 2022 by over 10%.</p> <p>The number students and staff that have been quarantined this year has been very significant and has impacted all aspects of the students educational opportunities and access to financial informational supports that can help them further their education after high school.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

Instructions:

Institution or District Submitting the Request: List the full name of the school district, community college district or California institution of higher education submitting the request.

Affected Students: Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

Description of the Qualifying Event: The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a "qualifying event" as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a "qualifying event" is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

Contact Information and Signature: This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to schoolsupport@csac.ca.gov.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Skyline College</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>San Mateo County Community College District</h1>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>In accordance with the provisions set forth in California Education Code Section 69513.2, the basis for this request is due to the declaration of both a national and state emergency still in effect as a result of the COVID-19 pandemic. This ongoing crisis has caused a disruption in our services and students' varying abilities to receive the support and assistance needed from financial aid and other professional staff to meet the March 2, 2022 for FAFSA and CADAA submission deadline for consideration of the Cal Grant, Middle Class Scholarship and other CSAC programs</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Capuchino High School Cash for College Skyline Middle College Financial Aid Night Skyline College Promise Scholars Financial Aid Application and Scholarship Workshop</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>In the last two years, our Cash for College events and financial aid application workshops have dropped in attendance. In previous years, we averaged 25-30 attendees but our recent average is 5-10. We also had two Cash for College workshops for each of our feeder schools but now we only have one workshop due to the low attendance.</p> <p>Based on feedback from our feeder schools and college community students and families are finding it difficult to apply for financial aid due to the uncertainty of the pandemic and pandemic-related hardships.</p>	
<p>4. Additional comments (if any):</p>

Institution or District Submitting the Request	
<h1>Soledad High School</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h2>12th graders at Soledad High School</h2>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</p> <p>Covid Due to Covid and all the Covid restrictions placed on Soledad High School by the district, county and state we were not able to adequately provide the financial aid services that we usually provide pre-covid. Also, any attempt at in-person support was met with low turnout due to Covid fears. Any online attempts were also met with low turnout due to families not having sufficient internet services.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>The district policy forbade any in person workshops for large groups. We also had to plan around Hartnel for financial support to help our families. Given the fact that we are a title 1 public school many of our families do not have internet or reliable internet. Subsequently many of our families rely on in-person and one on one support which we were not able to provide.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Currently Soledad High School is not on target to meet last years completion rates. Our submissions are down 18%, our completion rate is down 18%, and our California Dream Act application completions are down 18%.</p>	
4. Additional comments (if any):

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Sonoma Valley Unified School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
Sonoma Valley High School students, approximately 300 students are impacted.	
Description of the Qualifying Event	
1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u> Due to the disruption of in-person student services as a result of the pandemic, many students have not been able to submit their FAFSA/CADAA application by the March 2nd priority deadline. Outreach as part of the usual FAFSA/CADAA application process has been significantly impacted since March 2020. Latinx families have been disproportionately affected by this change. The number of applications from our high school has decreased for the 2022-2022 academic year.	
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. We organized two Cash4College workshops with SRJC and 10,000 Degrees financial aid experts. The first was offered in November and the second one offered late January. Attendance was down considerably as both events were offered virtually. Our Latinx families were impacted due to poor wi-fi accessibility. 10,000 Degrees is on campus every Monday to help families in-person, but attendance has been low.	
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. As of 2/22/2022, Sonoma Valley High School has a 40% completion rate. Last year, the class of 2021 had a 60% completion rate. This is a clear indicator of the disproportionate impact the pandemic is having on our lowest income students who have limited access to technology and resources.	
4. Additional comments (if any): We appreciate the opportunity to submit this application for an extension of the FAFSA/CADAA deadline for students to be considered for the Cal Grant.

Institution or District Submitting the Request	
<h1>South Fork Joint Unified School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h2>High school students in the South Fork Joint Unified School District</h2>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Our school district has been adversely affected by the following. Because of Covid, many of our seniors have been out of school for extended periods because they have either gotten sick or have been quarantined due to contact tracing. They have not been able to get assistance from the counseling staff to fill out the FAFSA. Their parents/guardians have also gotten sick and have been unable to come to school to get help in filling out their portion of the FAFSA. Another issue has been transportation. Our district is very rural and serves communities spread over 773 square miles, many in remote mountainous regions. The roads connecting these communities can be treacherous at best and impassable in inclement weather, which we experienced often this year. Buses could not run to bring students to school and parents/guardians were not able to transport their students or themselves to school to receive help from professionals to fill out the FAFSA. In addition, because of our rural location, many families have very spotty and unreliable internet service to seek assistance online.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>We have been forced to cancel evening workshops due to parents/guardians being unable to attend due to sickness and/or transportation, as described above. Many students have been unable to attend the workshops we have offered during the day on campus because of sickness, quarantining, and/or transportation. Internet/wifi issues with families in outlying areas have made working on the FAFSA via zoom or webinars impossible.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p>	
<p>4. Additional comments (if any):</p>	
Contact Information and Signature	
<p>This request must be signed by either the superintendent of a school district or community college district or the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Sweetwater Union High School District (SUHSD)</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h2>School District</h2>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Students and families in the school district have faced many economic and medical hardships due to the impact of COVID-19. The region that SUHSD covers has experienced one of the highest areas of COVID-19 infection rates in the state. This has negatively affected families in being able to meet the application deadline because of hospitalizations, sickness, and student absenteeism.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>We have offered outreach events at all of our high school sites and attendance has been significantly impacted by COVID-19. Although virtual options for these meetings have also been implemented, we are witnessing a dramatic decline in attendance in comparison to pre-COVID19 numbers. Sites have provided incentives for FAFSA completion through free burritos and other incentives, but our numbers are currently unusually low.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>According to our internal dashboard (Data Insights) In 2018, we had 57% of our students complete the FAFSA, our highest rate in the last four years. 2019- 55% completed 2020- 53% completed 2021 - 52% completed</p>	
<p>4. Additional comments (if any):</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between March 3, 2022 and April 1, 2022 will be deemed to be on-time applicants.

Instructions:

Institution or District Submitting the Request: List the full name of the school district, community college district or California institution of higher education submitting the request.

Affected Students: Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

Description of the Qualifying Event: The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a "qualifying event" as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a "qualifying event" is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

Contact Information and Signature: This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to schoolsupport@csac.ca.gov.

Institution or District Submitting the Request	
<h1>Taft Union High School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>Taft Union High School District students</h1>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Through the 21-22 school year there continues to be challenges in communicating directly with students who are periodically out of school for long stretches of time due to quarantining protocols surrounding COVID-19. Additionally, many students are struggling to obtain the necessary documents due to unprecedented financial impacts for their families.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>We have held multiple in-person events in the evening that had limited attendance due to quarantined students. We have also had an additional support staff on site 3 days a week to meet with students to walk them through the process in addition to the classroom presentations and electronic student/parent communications, but the documentation is difficult for students to obtain. We have also scheduled virtual opportunities for parents/students to get the help they need scheduled with varying degrees of success.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>In the 19-20 school year prior to COVID, our FAFSA completion rate was 59.91%. That rate decreased last year to 43.4% on March 2nd. Currently, for the 21-22 school year, we are at 39.99% completion with 1 week to go before the deadline.</p>

<h1>Temecula Valley Unified School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h2>2542</h2>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>We here at TVUSD want to ensure that all of our seniors have an equal opportunity to plan for their future and apply for financial assistance through CSAC. With that being said, the pandemic has greatly impacted the work our staff provides to students and their families in all areas, one of which being post-secondary and financial planning. With students and staff out due to COVID, our campuses have struggled to provide the same level of individualized support as it did pre-pandemic. Now that our county numbers are decreasing, an extension would greatly support in completion numbers.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>NA</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Current 2022 submission data: 1,150 students - 46.6% 2021 submission data: 1,357 students - 54.98%</p>	
<p>4. Additional comments (if any):</p> <p>With the support of our county's Cal SOAP program in collaboration with our campus staff, we know that this extension would benefit our students greatly. Thank you.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>University of California - Merced</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
All California applicants are impacted by the continuing national emergency due to the COVID-19 pandemic.	
Description of the Qualifying Event	
1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u> The federal state of emergency for COVID-19 is still in effect: https://aspr.hhs.gov/legal/PHE/Pages/COVID19-14Jan2022.aspx The lingering impacts of the COVID-19 pandemic continue to put enormous strains on educators as we try to counsel students about their financial aid options. Compounding this, the "Great Resignation" has left financial aid offices with staffing challenges that make delivering the normal level of service difficult.	
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. The impacts of the pandemic and the Great Resignation mean that the Commission and our campus outreach events have not seen the same level of attendance or staffing as in prior years.	
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. According to the California Student Aid Commission, there has been a 12% decline in FAFSA submissions statewide and a 21% decline in CADAA. The decline in applications from our most vulnerable populations is of particular concern to the University of California.	
4. Additional comments (if any):	
Contact Information and Signature	
This request must be signed by either the superintendent of a school district or community college district or the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

Instructions:

Institution or District Submitting the Request: List the full name of the school district, community college district or California institution of higher education submitting the request.

Affected Students: Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

Description of the Qualifying Event: The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

Contact Information and Signature: This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to schoolsupport@csac.ca.gov.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
Val Verde USD	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
School District	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <ul style="list-style-type: none"> • During the month of January our Guidance Department was negatively impacted by Omicron variant which resulted in high number of staff and faculty which resulted in having to cancel 1 FAFSA workshop. we had to cancel due to lack of people that could help (not sure how many people RSVPd). • Many Parents have stated that they either have not completed or filed 2020 return • Parents and community members not possessing or wanting to share all the information. Having to re-schedule several appointments. • Several students have had poor attendance and/or unavailable to complete their application during school hours. <p>The primary reason for the extension would be that with students and staff being out, it has a constant game of 'catch up' which is time consuming.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>We have not had to cancel events, but we have had fewer events scheduled due to COVID protocols and have had lower attendance.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>We are currently at 80% completion when we usually lead the state in close to 100% completion.</p>	
<p>4. Additional comments (if any):</p> <p>We believe that with the extension we will be able to reach close to 100% completion</p>

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Vanguard University of Southern California</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
The counties of Orange, Los Angeles, Riverside, San Bernardino, San Diego	
Description of the Qualifying Event	
1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u>	
The ongoing COVID-19 pandemic including the Omicron surge and increased COVID-19 case rates.	
2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.	
Financial Aid outreach events had difficulty with attendance due to the uneasiness surrounding the Omicron surge and local case rates.	
3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.	
At present, 33% of new incoming fall 2022 accepted students have not submitted their FAFSA of which 86% are California residents. Approximately 50% of traditional undergraduate students at Vanguard University are Cal Grant and/or Pell Grant eligible. Allowing students who submit a FAFSA by April 2 to be considered for Cal Grant eligibility would allow Vanguard University to best serve its student population that typically demonstrates significant financial need.	
4. Additional comments (if any):	
Contact Information and Signature	
This request must be signed by either the superintendent of a school district or community college district or the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.	
Superintendent, President, or Chancellor Name:	
Dr. Michael J. Beals, President

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

Instructions:

Institution or District Submitting the Request: List the full name of the school district, community college district or California institution of higher education submitting the request.

Affected Students: Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

Description of the Qualifying Event: The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

Contact Information and Signature: This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to schoolsupport@csac.ca.gov.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

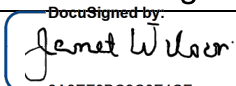

Institution or District Submitting the Request									
Victor Valley Union High School District, Victorville, CA 92392									
Affected Students (School district, community college district, or the area or region, such as a city or county)									
Victorville, CA									
Description of the Qualifying Event									
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>This has been a difficult year for students academically and socially. The impact of the pandemic on our students and families was much greater than expected. After returning from winter break, student attendance was once again negatively impacted due to the surge in COVID cases. The enrollment for VVUHSD has increased to 11,506 for 2021-2022 from 10,641 in 2020-2021. However, we remain at 88% socioeconomic disadvantaged.</p>									
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission that have been canceled or delayed due to the qualifying event.</p> <p>All high schools have held 10 to 18 financial workshop events since October 1, 2021. While no events were cancelled due to COVID, we continue to have students rushing to complete their 2022-23 FAFSA/CADAA. Data also show a decrease in percentage of seniors who completed their FAFSA/CADAA by 02/22/22 when compared to this date for 2021 and 2020 (see below).</p>									
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <table border="1"> <thead> <tr> <th>YEAR</th> <th>% Seniors FAFSA/CADAA</th> </tr> </thead> <tbody> <tr> <td>2022</td> <td>36.5</td> </tr> <tr> <td>2021</td> <td>42.6</td> </tr> <tr> <td>2020</td> <td>33.4</td> </tr> </tbody> </table>		YEAR	% Seniors FAFSA/CADAA	2022	36.5	2021	42.6	2020	33.4
YEAR	% Seniors FAFSA/CADAA								
2022	36.5								
2021	42.6								
2020	33.4

Application Deadline Postponement Request**For 2022-23 FAFSA/CADAA**

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h2>Vista Norte Public Charter</h2>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h2>Helendale Unified-San Bernardino County & Riverside County</h2>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Due to the Covid pandemic (a state of emergency declared by the Governor or the President of the United States) many of our schools have been working remotely. This has created a major barrier to see students more often in person. Reaching students remotely has been a huge challenge in order to complete FAFSA/CADAA applications.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Working remotely has limited our ability to host financial aid events and workshops in person at our school sites. Hosting financial workshops remotely has been a extremely difficult. Attendance has been extremely low.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Due to the Covid pandemic the number of FAFSA/CADAA applications is extremely low compared to previous years when we have been open and not working remotely.</p>	
<p>4. Additional comments (if any):</p> <p>Allowing our students to have additional time would be greatly appreciated. Many of our schools have recently opened for in person instruction which allows us to reach more students if given the additional time.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

Instructions:

Institution or District Submitting the Request: List the full name of the school district, community college district or California institution of higher education submitting the request.

Affected Students: Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

Description of the Qualifying Event: The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a "qualifying event" as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a "qualifying event" is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

Institution or District Submitting the Request	
<h1>West Sonoma County Union High School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>West Sonoma County Union High School District</h1>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Due to the on-going disruption to in person student services as a direct result of the COVID-19 pandemic, which is declared National Emergency, students have had an adverse effect on their ability to submit the FAFSA and CADAA by the March 2 priority deadline. Outreach, activities and our ability to attend area high schools as part of the usual FAFSA/CADAA application process have been significantly impacted since March 2020. Latinx families have been disproportionately affected by this change. The number of applications from our region has decreased for the 2022-23 academic year.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>There was a reduction of Cash for College Workshops in our region from 2019-2020, most of which were provided in a virtual environment. Participation in the virtual workshops was significantly lower than in-person workshops, particularly with Latinx families. There was a delay in receiving communications from CSAC regarding Cash for College Workshop cycle. The first "Train the Trainer" workshops were offered in September 2021 (usually this begins in August).</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Sonoma County high school students who have completed a FAFSA/CADAA by the March 2 deadline has seen a significant decrease. Nearly 43% of enrolled high school seniors completed a financial aid application in 2021, while only 27% of all enrolled high school seniors have completed the FAFSA/CADAA for 2022. The number of students receiving a Cal Grant award for 2022-23 is down by 43.8%. This is a clear indicator of the disproportionate impact the pandemic is having on our lowest income students who do not have the access to technology and resources.</p>	
<p>4. Additional comments (if any):</p> <p>Intermittent technical issues with the FAFSA have created additional barriers and delays in FAFSA completion. We appreciate the opportunity to submit this application for an extension of the FAFSA/CADAA deadline for students to be considered for the Cal Grant. In addition, the West County High School College & Career Coordinator and Counseling Department Chair had a virtual meeting to update the data for the newly consolidated information. West County High School is a new consolidated high school and a virtual meeting was held to review the West County High School RTS data.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

If a request is granted by the Commission, financial aid applicants within the school district, community college district, or the area or region predominately affected by the qualifying event who have filed a FAFSA or CADAA between **March 3, 2022 and April 1, 2022** will be deemed to be on-time applicants.

Instructions:

Institution or District Submitting the Request: List the full name of the school district, community college district or California institution of higher education submitting the request.

Affected Students: Name the school district, community college district, or an area or region within the state, such as a city or county, in which the qualifying event had an adverse effect on the ability of pupils or students to successfully complete and submit their financial aid applications by the established application deadline.

Description of the Qualifying Event: The Commission may grant an additional 30 calendar days beyond the March 2, 2022 deadline for students who were unable to submit their financial aid application, including the 2022-23 FAFSA or CADAA, due to disruptions caused by a “qualifying event” as defined in Section 69513.2.(d) of the California Education Code:

For purposes of this section, a “qualifying event” is any event or extenuating circumstance outside of the control of the pupils or students in an affected school district, community college district, or area or region that, in the judgment of the commission, has had an adverse effect on the ability of students within the district to successfully complete and submit their financial aid applications by an established statutory deadline. The qualifying event shall have occurred or been ongoing during the period for which financial aid applications were available to submit for the following academic year, and includes, but is not necessarily limited to, any of the following types of events:

- (1) A natural disaster.
- (2) A state of emergency declared by the Governor or the President of the United States.
- (3) A labor action.

1. Provide a brief description of the qualifying event that is the basis for the request, including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.

2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event. If no events have been affected, please leave this section blank.

3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year. If no data is available, please leave this section blank.

4. Additional comments: Please use this section to provide any other relevant information or comments. Attach additional documents if necessary.

Contact Information and Signature: This request must be signed by either the superintendent of a school district or community college district or from the president or chancellor of a California institution of higher education that is eligible to receive state funds for student financial assistance.

Please submit the completed request as an attachment to schoolsupport@csac.ca.gov.

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>West Sonoma County Union High School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>West Sonoma County Union High School District</h1>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Due to the on-going disruption to in person student services as a direct result of the COVID-19 pandemic, which is declared National Emergency, students have had an adverse effect on their ability to submit the FAFSA and CADAA by the March 2 priority deadline. Outreach, activities and our ability to attend area high schools as part of the usual FAFSA/CADAA application process have been significantly impacted since March 2020. Latinx families have been disproportionately affected by this change. The number of applications from our region has decreased for the 2022-23 academic year.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>There was a reduction of Cash for College Workshops in our region from 2019-2020, most of which were provided in a virtual environment. Participation in the virtual workshops was significantly lower than in-person workshops, particularly with Latinx families. There was a delay in receiving communications from CSAC regarding Cash for College Workshop cycle. The first "Train the Trainer" workshops were offered in September 2021 (usually this begins in August).</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>Sonoma County high school students who have completed a FAFSA/CADAA by the March 2 deadline has seen a significant decrease. Nearly 43% of enrolled high school seniors completed a financial aid application in 2021, while only 27% of all enrolled high school seniors have completed the FAFSA/CADAA for 2022. The number of students receiving a Cal Grant award for 2022-23 is down by 43.8%. This is a clear indicator of the disproportionate impact the pandemic is having on our lowest income students who do not have the access to technology and resources.</p>	
<p>4. Additional comments (if any):</p> <p>Intermittent technical issues with the FAFSA have created additional barriers and delays in FAFSA completion. We appreciate the opportunity to submit this application for an extension of the FAFSA/CADAA deadline for students to be considered for the Cal Grant. In addition, the West County High School College & Career Coordinator and Counseling Department Chair had a virtual meeting to update the data for the newly consolidated information. West County High School is a new consolidated high school and a virtual meeting was held to review the West County High School RTS data.</p>

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
Willows Unified School District	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
Willows High School, Willows Community High School	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Due to a surge of COVID cases at the beginning of 2022, a large population of our student body missed multiple days of school thus resulting in missed opportunities to participate in workshops to learn and fill out the FAFSA.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>Workshops were not cancelled but students who were signed up to attend had to miss due to COVID quarantine or isolation. Student attendance dropped to as low as 3 for the workshops scheduled in January. Additional workshops have been scheduled to make up for the loss of attendance.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>According to the Race to Submit dashboard, we had 73 students out 110 submit and we currently only have 44 out of 110 submitted.</p>	
4. Additional comments (if any):

Application Deadline Postponement Request

For 2022-23 FAFSA/CADAA

The superintendent of a school district or community college district or the president or chancellor of an institution of higher education district may request a deadline postponement to allow students within their district, or region or area of the state, to submit their 2022-23 FAFSA or CADAA applications after the March 2, 2022 deadline, pursuant to California Education Code Section 69513.2. This form may be used to submit a request to the California Student Aid Commission (Commission) for postponement of the application deadline for Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA) submissions. **Deadline to submit postponement request: March 7, 2022**

Institution or District Submitting the Request	
<h1>Windsor Unified School District</h1>	
Affected Students (School district, community college district, or the area or region, such as a city or county)	
<h1>Windsor High School</h1>	
Description of the Qualifying Event	
<p>1. Provide a brief description of the qualifying event that is the basis for the request, <u>including how the event has had an adverse effect on the ability of pupils or students within the school district, community college district, or an area or region within the state, such as a city or county, to successfully complete and submit their financial aid applications by the established application deadline.</u></p> <p>Although Windsor students have been back on campus this year, the impact of the COVID-19 pandemic (a declared national Emergency) has hampered our staff's ability to do outreach to seniors regarding the completion of their financial aid applications. Also, Windsor High School did not conduct any in person Cash for College workshops this year, which are a normal part of our financial aid support to our families. Our Latinx families, which make up over 39% of our student population, have been disproportionately affected by the pandemic and the reduced services.</p>	
<p>2. Provide a list of any financial aid outreach events, including, but not necessarily limited to, workshops or webinars sponsored by the commission, that have been canceled or delayed due to the qualifying event.</p> <p>In previous years, Windsor High has worked with our local community college campus and with a community based organization to offer hands on workshops, especially for our Spanish speaking families. This year we have had fewer workshops, and the Spanish sessions have only be virtual which resulted in very low participation rates.</p>	
<p>3. If available, provide data showing that there has been, or is likely to be, a reduction in the number of students who have completed a financial aid application from the previous year.</p> <p>In 2019: 3 in person Cash for College workshops were attended by 103 families. In 2020: 2 virtual Cash for College workshops resulted in only 31 families participating. In 2021: 2 virtual Cash for College workshops resulted in only 48 families participating.</p> <p>Our FAFSA/CADAA's submitted as of March 1, 2022 is 155 applications, 21 fewer than for 2021.</p>	
<p>4. Additional comments (if any):</p> <p>Windsor High would appreciate the additional time this postponement would give us to encourage more seniors to complete their FAFSA/CADAA applications.</p>
