¹ https://oal.ca.gov/publications/notice_register/#Schedule, OAL publishes the Notice Register every Friday. To be published, a Notice must be received by OAL no later than 10 calendar days before the publication date. Section 5, Title 1, California Code of Regulations describes what an agency must submit with its Notice.

² OAL reviews the certificate of compliance action to ensure it satisfies all APA requirements for a regular rulemaking. (Government Code section 11346.1(e).) OAL has 30 working days to review a certificate of compliance.

³ Under Government Code 11343.4, regulations become effective on one of four quarterly dates based on when the final regulations are filed with the Secretary of State: January 1, if filed between September 1 and November 30; **April 1, if filed between December 1 and February 29**; July 1, if filed between March 1 and May 31; and October 1, if filed between June 1 and August 31
