CSAC

DREAM ACT
SERVICE INCENTIVE
GRANT PROGRAM

SIOC Committee

2022 -23 Changes
CA Dream Act Service Incentive Grant (DSIG)

1   2022-23 changes

- Increased the   total   stipend award amount to $4,500/year

- Removed the "proration" of awards per enrollment status

- Extended eligibility to Cal Grant A awardees who meet Cal Grant B eligibility

- Reduced total participants to 1,667 (decrease from 2,500)

- Set the minimum amount of a grant awarded in a semester or quarter at $450

- Unexpended or unencumbered funds appropriated for DSIG, will be transferred to the UC and the CSU to support the California DREAM Loan Program (upon order of the Director of Finance)

California Volunteers Partnership

CSAC CA Dream Act Service Incentive Grant - #CaliforniasFor All College Corp

1. Beginning in 2022-23, California Volunteers in partnership with the California Student Aid Commission (CSAC) will be offering #CaliforniansForAll College Corps to AB 540 California Dream Act students.

2. College Corp Fellows who complete 450 hours of service will receive the following:
   - $5,500 stipend (living allowance) & $4,500 Education Award

3. The Education Award for AB 540 California Dream Act students will be administered through the California Dream Act Service Incentive Grant Program at CSAC.

California Volunteers Partnership

CSAC CA Dream Act Service Incentive Grant - #CaliforniasFor All College Corp
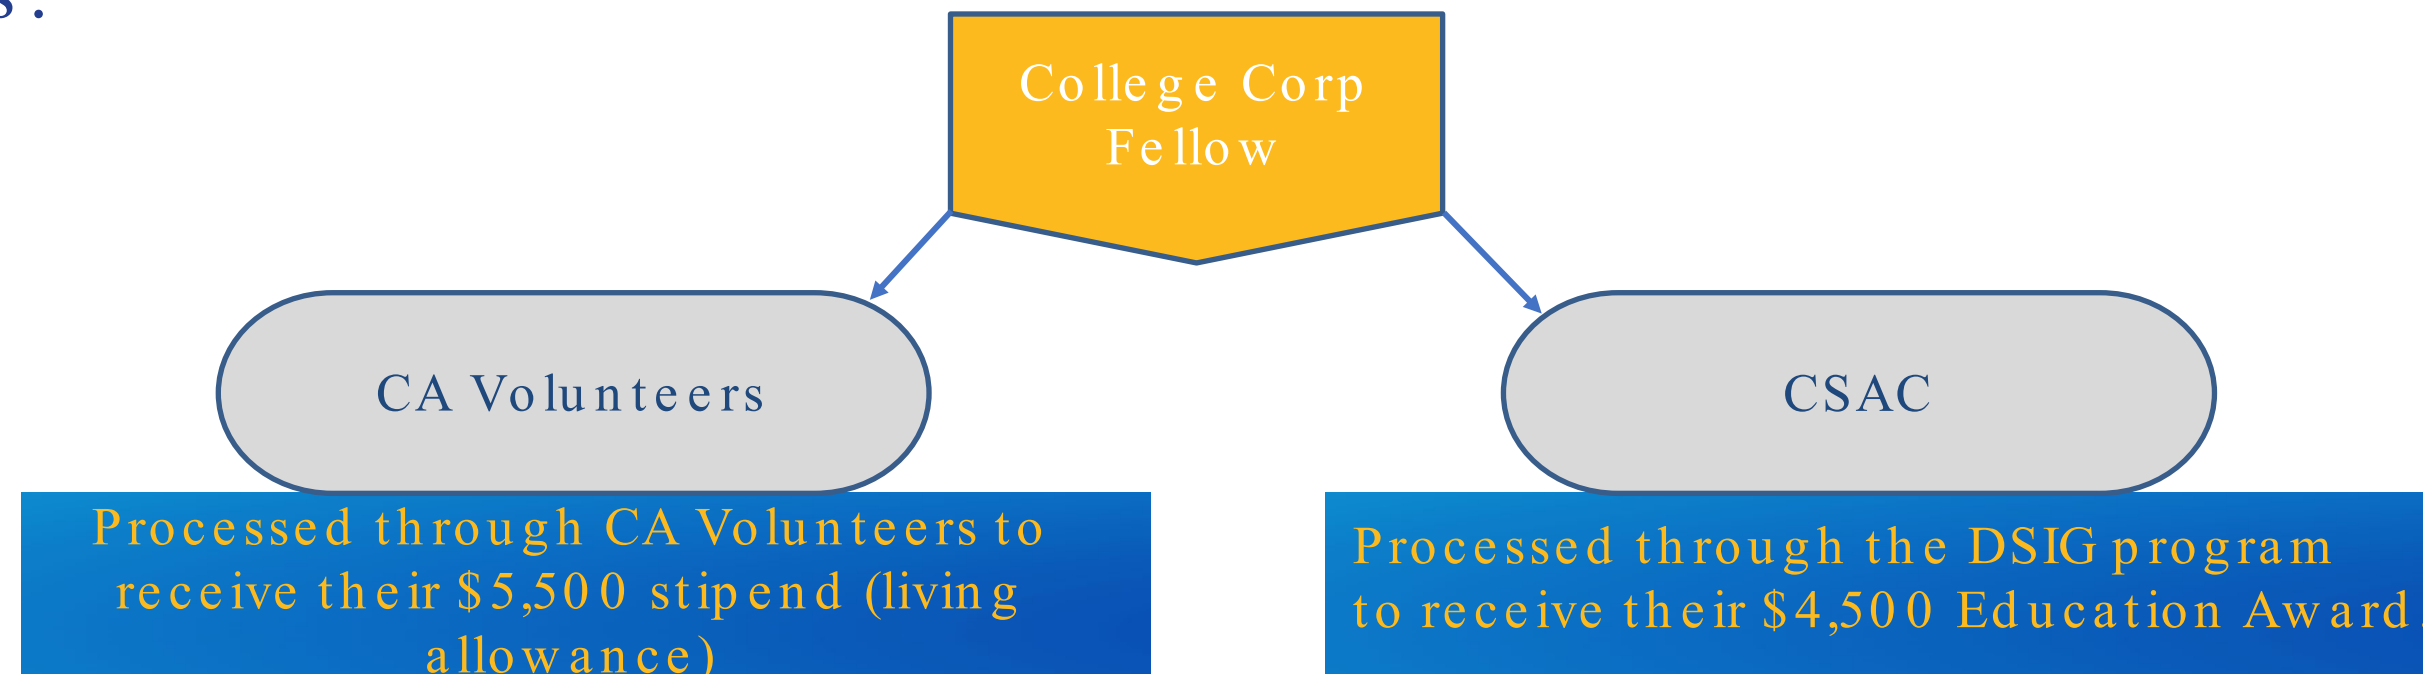

1 **Education Award - DSIG**

- DSIG program, encourages eligible California Dream Act Applicants to perform community or volunteer service.

- $4,500 per academic year (up to $2,250 per semester or up to $1,500 per quarter) to eligible students.

- 300 hours per academic year (150 hours per semester or 100 hours per quarter) of community or volunteer service.

- Fellows must complete additional 150 service hours to meet the 450 total service hours requirement to receive the total $5,500 living allowance through College Corps.

How It Works

1. Eligible students will be determined by partner campuses during onboarding and registration in the College Corps program.

2. Fellows must also meet the requirements of the College Corps and DSIG program.

3. Campus Leads will facilitate the DSIG workflow for College Corps fellows.

2022-23 Changes

GSTG

- Removes the high-need field requirement for preliminary teaching credentials.

- Expands eligibility to those pursuing a pupil personnel services credential.

- Students must complete their program and obtain their credential within 3 years after their first GSTG payment.

- Funds can be paid over multiple years, not to exceed $20,000.

- Requires the Commission to post a Priority School List by April 15 annually.

- Extends timeframe to work 4 years at a priority school from 5 to 8 years.

2022-23 Changes
GSTG

- Expands applications to students who have applied for enrollment in an eligible professional preparation program.
  - ➢ Provides pre-enrollment conditional award notices to applicants.
  - ➢ Allows institutions to provide applicants with grant eligibility determinations.

- Opens applications for the following academic year on September 1 annually.
  - ➢ The 2023-24 application opened on September 1, 2022.

Middle Class Scholarship (MCS) 2.0

Current Progress
MCS 2.0

1 **2022-23 Initial Enrollment File Submission**

- Open from August 1st through August 30th
- Received initial enrollment files from all UC and CSU campuses

2 **2022 -23 Awards**

- Currently performing extensive testing of new MCS award formula under the new cost of attendance model
- Released new payment roster file layout to UC and CSU campuses on August 22nd
- Initial awards anticipated in mid to late September

3 **MCS Awards for Community Colleges Bachelor's Degree Program**

- Working with the Community Colleges Chancellor's Office to update the MCS Roster Template to manually process students participating in this program for MCS 2.0 consideration

Golden State Education & Training Grant Program (GSETGP)

2021-2022 Outcomes

4,768 Applications total

3,309 Applicants Awarded Total

- **3,018** Applicants Enrolled
- 291 Applicants Pending Enrollment Verification

1,459 Not Awarded

Broken Down by Segment:

84.58% California Community College

11.24% California State University

4.09% University of California

Payments:

2,520 Applicants Paid ($6,300,000)

498 Payments Processing ($1,245,000)

How Applicants Heard of the Program:

69.21% Direct Communication from CSAC

9.61% Through a Friend

3.27% Social Media

2.62% Google Search

2.92% Third Party

11.64% Other

Most Applicants:

403 Los Angeles City College

2022 -23 Status

1 **2022-2023 Application Live**

- Expanded application, where applicants without FAFSA/CADAA can input their income information directly into the application
- Applicants without a social security number or California Dream Act ID can apply.

2 Inclusion of Eligible Training Programs

- Finalizing process for programs on EDD's Eligible Training Program List to apply and be included in the GSETGP.

3 Future Webinars

- Planning webinars to inform audiences of the GSETGP and clarifying responsibilities of training program/institution staff (including verifying applicant enrollment in the online system of WebGrants).

Learning-Aligned Employment Program (LAEP)

Quick Review

Learning-Aligned Employment Program (LAEP)

1 **Work-based Learning**

LAEP offers eligible students at public colleges the opportunity to earn money to help defray their educational costs while gaining education-aligned, career-related employment.

2 **Goals**

Promotes college affordability, equity, and smother transition from college to career

3 **Funding**

The combined 2021-22 and 2022-23 state budget funding for LAEP is $500 million. Institutions can use this funding until 2031.

4 **LAEP Website**

LAEP Handbook, FAQs, recorded webinars and more are available at: csac.ca.gov/laep

Key Updates

Learning-Aligned Employment Program (LAEP)

1 **Current status**

98% institutional participation

Segments	Participating Institutions	Total Allocation
