(Information Item)

Presentation of proposed 2023 Commission meeting calendar

SUMMARY:

The *Proposed 2023 Commission Meeting Calendar* is attached as an information item for the Commission's review and feedback. The December 1, 2022, meeting agenda will include the 2023 meeting calendar as an action item.

RECOMMENDATION:

Review and revise, as necessary, the proposed 2023 Commission meeting calendar. The final proposed 2023 Commission meeting calendar item will be presented at the December 1, 2022, meeting, for adoption.

BACKGROUND:

The Commission's proposed calendar of meetings for the next year is presented as an information item, in September, and as an action item at the final Commission meeting of the year, in December.

The suggested dates have been chosen so as not to conflict with 2023 meetings of the Regents of the University of California, the Trustees of the California State University, and the Board of Governors of the California Community Colleges. In addition, adjustments to the calendar have been made to convene the Commission meeting after final approval of the 2023-2024 State Budget Act, in accordance with meeting the State Constitutional deadline for implementation on July 1. Therefore, the standing June Commission meeting has been moved to July and a later date has been selected for the September Commission meeting.
