

# Item 6

## (Information Item)

Presentation of recent Commission reports on FAFSA/CADAA submissions and Cal Grant awards for the 2021-22 submission and award cycle

---

### **SUMMARY:**

This item provides Commissioners with information on recently issued Commission reports and other data relevant to Commission programs and services. Additionally, this item includes an overview of ongoing, regular, and one-time reports to be issued by the Data, Analysis, and Research Team (DART).

### **RECOMMENDATION:**

This is an information item; no action is required. Staff will provide the Commission with new reports and data as they become available and provide responses to Commissioner inquiries about data or reports.

### **BACKGROUND:**

The Data, Analysis, and Research Team (DART) continues to compile and analyze data on Commission programs and services. Included in this update are the annual Facts at Your Fingertips reports for Cal Grant and Middle-Class Scholarship programs, as well as the triannual Competitive Cal Grant Report to the Legislature.
