**Item 6**  
**(Action Item)**

Consideration of amendments to the Student Impact Committee charter and  
title

---

**SUMMARY:**

This item provides an update on changes being proposed to the Student Impact Standing Committee's Charter.

**RECOMMENDATION:**

Consider and adopt revisions to the Student Impact Standing Committee Charter and committee name and recommend that the Commission direct staff to amend the Commission's Governance Policies and Procedures consistent with these changes.

**BACKGROUND:**

The Commission has adopted a standing committee structure for handling the various policy issues that fall under its jurisdiction. These committees are established to help the Commission fulfill its responsibilities by reviewing policy proposals, alternatives, and the implications of these issues on student financial aid. Commission members indicate their preferences for committee assignments annually and the Chair of the Commission appoints the Chairs, Vice Chairs and members of the Standing Committees.

The revised Standing Committee charter for the renamed Student Impact, Outreach and Communication Committee is attached.
