Item 6
(Action Item)

Consideration of amendments to the Legislative, Audit and Budget Committee
charter

SUMMARY:

This item provides an update on the changes being proposed to the Legislative, Audit, and Budget Committee charter for the Committee's review.

RECOMMENDATION:

Adopt proposed revisions to the committee charter and recommend to the Commission to direct staff to amend the Commission's Governance Policies and Procedures consistent with these changes.

BACKGROUND:

The Commission has adopted a standing committee structure for handling the various policy domains that fall under its jurisdiction. These committees are established to help the Commission fulfill its responsibilities by assessing policy issues, alternatives, and implications to support Commission deliberation. Commission members indicate their preferences for committee assignments annually and the Chair of the Commission appoints the Chairs, Vice Chairs and members of the Standing Committees.

With the Commission's restructuring of its standing committees, a review of the attached revised Legislative, Audit and Budget Committee or confirmation is appropriate.
